This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

ST. STEPHEN'S CHURCH, HARRISBURG, PA.,
Wednesday, May 12th, 1915.

Pursuant to order, at 7.30 A. M., the Right Reverend, the Bishop of Toronto, celebrated the Holy Communion, assisted by the Rev. William C. Clapp as Epistler and the Right Reverend, the Bishop of Maryland, as Gospeler.

At 9.30 A. M., the Convention met in the Church pursuant to order, the President in the chair.

The Secretary called the names of those who did not answer yesterday, when four (4) additional Clergymen and seventeen (17) additional Lay Delegates, representing four (4) additional Parishes and two (2) additional Organized Missions, were present. Whole number of Clergymen present, forty-eight (48), in addition to which there were present eight (8) not entitled to vote; whole number of Lay Delegates present, eighty-five (85), representing thirty (30) Parishes and six (6) Organized Missions.

The reading of the minutes of yesterday's session was dispensed with.

The Rev. Mr. Browne offered the following resolution:

Resolved, That we, the Clergy and Laity of the Diocese of Harrisburg in Annual Convention assembled, well remembering the faithful service and loyal devotion which the Church among us has always received from one who has served her in almost every possible capacity, desire to place on record our sincere sense of great loss in the death and our high appreciation of the life and example of James McCormick Lamberton. As Vestryman of the Church in which we are now meeting, as active and prominent in all lay organizations, both Diocesan and National—as often Delegate to the General Convention—he in everything bore well his part and gave his testimony to the high dignity and spiritual privileges of membership in the Church of Christ—as a devoted disciple of Her Founder and Lord. "For the good examples of all these Thy servants, who having finished the course in faith, do now rest from the labors." we give our humblest thanks to Almighty God; knowing that they without us shall not be made perfect; and for him and those who with him have gone over before us, we raise the prayer of the Ancient Church: "Grant them eternal rest, oh God, and let light perpetual shine upon them."

Resolved, That the Secretary set apart a page in the Journal as a memorial of Mr. Lamberton, and the Convention adopt it by a rising vote. A copy sent to his mother, and that it be published in the *Harrisburg Churchman*.

—which was adopted by a rising vote.

Mr. W. C. Robinson withdrew the name of Mr. A. T. Page as nominee for Lay Member of the Standing Committee.

On motion, the rule was suspended and the Secretary was instructed to cast a ballot for Messrs. Ivanhoe S. Huber, John Langdon, David McMullen, Hugh B. Meredith, M. D., and Ralph T. Smith as Lay Members of the Standing Committee.

Pursuant to order, the Convention then proceeded to ballot for Clerical Members of the Standing Committee and Lay Members-at-Large of the Board of Missions.

The President appointed as tellers for the Clerical vote the Rev. Messrs. William C. Charlton, George O. Eskins and Harold E. Schmaus; for the Lay vote, Messrs. C. R. Houtz, E. D. Walker and W. C. Herr.

During the balloting the following business was transacted:

Mr. A. P. Perley presented the

REPORT OF THE FINANCE COMMITTEE.

The deficit has grown from $300.52 reported last year to $505.58 as shown by the Treasurer's Report. In view of the fact that most of the parochial reports received at the time of the Committee meeting show some slight increase in parochial expenditures, the Committee deem it unwise at this time to take any steps towards wiping out the deficit.

A request was received from the General Board of Religious Education showing an opportionment of $238.00 to this Diocese for the purposes of that Board. For the reasons stated in the last report, the Committee are of the opinion that an appropriation of $100.00 is the best the Diocese can do for this year.

The Committee further recommend an appropriation of $100.00 to be apportioned between the Provincial and Diocesan Boards of Education in accordance with the judgment of the Diocesan Board.

Last year we recommended that the offering on Trinity Sunday in all the Churches in the Diocese be applied for the increase of the Endowment Fund; that where duplex envelopes are in use that the loose collection and any special offerings made for that purpose be so applied. Seven Parishes complied with this request. With shame we state not one of the Parishes from which your Committee is drawn is represented in this seven. We strongly renew this request, hoping our own parishes will be leaders in the matter.

After the budget for the year was adopted this Diocese was assessed $72.00 for Synodical Purposes by the Province of Washington. The Treasurer advanced this money and the Committee now asks that his action in so doing be ratified.

The Treasurer renewed certain policies of insurance upon the Bishop's Residence and expended $60.00 in payment of premiums. The Committee recommend that his action in this matter be ratified, and that the Treasurer be authorized to renew the insurance as the same expires from time to time. There is a total of $13,000.00 insurance on the residence and $2,500.00 insurance upon the Chapel of the Holy Spirit.

The Committee have received assurance that the plans of reorganization of the Cumberland Valley Telephone Company and Central Iron and Steel Company are well under way, and that the Diocese may soon look for remunerative securities in place of those upon which no interest has been received for several years. We recommend that the Treasurer be authorized to accept the proposed plans of reorganization and exchange the

present securities for those to be issued in accordance with the plan. In the case of the Cumberland Valley Telephone Company, we will receive new bonds at fifty per cent. of our present holdings and stock for twenty-five per cent.; in the Central Iron and Steel Company it will be an even exchange.

The Committee recommend that St. Mary's Church, Williamsport, be exonerated from the assessment for the year 1913-1914, that Parish having paid in full the assessment for 1914-1915.

The Committee recommend that Christ Church, Berwick, be exonerated from the payment of the penalty upon their assessment for the current year.

The Committee recommend that in computing the assessment due from the Parishes and Stations, the Secretary should disregard fractions of a dollar less than fifty cents and should make the assessment where the fractions are fifty cents or more the next even dollar.

The Committee recommend that the minimum assessment be fixed at $3.00 upon all Parishes and Stations expending less than $60.00.

All Saints' Church, Selinsgrove, has never returned any Clerical salary upon the ground that such salary is paid from the Mary K. Snyder Endowment, out of which certain expenses have to be paid. The Committee are of the opinion that the net amount of stipend realized from that endowment should be carried out in the report as a clerical salary, and they fix the amount for the current year at $500.00.

The Committee makes the following estimate of expenses for 1915-1916:

Bishop's Salary,	$4,500 00
Allowance for Traveling Expenses,	500 00
Allowance for Stenographer,	500 00
Taxes, Insurance and Mortgage Interest on Bishop's House,	1,200 00
Mileage of Clergy to 1915 Convention,	225 00
Diocesan Printing,	500 00
Salary of Assistant Secretary,	50 00
Clerical and Other Expenses of Secretary's Office,	60 00
Assessment for Expenses Province of Washington,	72 00
Probable Interest on Borrowed Money,	60 00
One-third Expenses to General Convention of 1916,	200 00
Estimated Rebate for Prompt Payment,	125 00
Mileage of Clerical Deputies to Provincial Synod,	50 00
General Board of Religious Education,	100 00
Provincial and Diocesan Boards of Education,	100 00
	$8,242 00

The Committee have fixed the basis of assessment as follows: First Group, Parishes expending less than $1,000, 5 per cent.

Second Group, Parishes expending from $1,000 to $1,500, 7 per cent.

Third Group, Parishes expending from $1,500 to $2,000, 9 per cent.

Fourth Group, Parishes expending from $2,000 to $2,500, 10 per cent.

Fifth Group, Parishes expending over $2,500, 12 per cent.

It is estimated that on the basis of last year's receipts this will yield about $8,200.00.

The Committee audited all the accounts of the Treasurer and verified his securities and found them to be as stated in the report.

The Committee submit the following resolution:

Resolved, That the recommendations of the Finance Committee be approved and they be authorized to carry the same into effect.

Respectfully submitted,

ALLEN P. PERLEY,
Chairman.

On motion, action on the resolution appended to the Report of the Finance Committee was postponed until the Convention had heard the Report of the Diocesan Board of Religious Education.

The Rev. Mr. Hoyt presented the report of the Diocesan Board of Religious Education, which was received and ordered to be printed in the Journal as an appendix. (Appendix C.)

The resolution appended to the Report of the Finance Committee was then adopted.

APPENDIX A.

THE BISHOP'S ADDRESS.

"Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ." I Thessalonians 1:1.

Tenth Anniversary Celebrations of Diocesan existence are not of very frequent occurrence, and the Bishop's address, which is both customary and required, should differ somewhat from the usual recitation of Diocesan happenings and needs. With the highly appreciated presence of so many distinguished prelates, and other honored guests, it seems that for once the stating of local needs, and suggestion of efficient ways to meet them, should be omitted, both for want of time and because, not more important, but larger interests of the Church should claim our attention. Expression should be curbed by repression of speech.

The theme presented to us by this occasion is most manifestly: The public acknowledgment, and offering to Almighty God of our unfeigned thanks and gratitude for His countless, great mercies, known and unknown, during the past decennial.

We welcome our friends from far and near, and appreciate most highly their presence and support in our Diocesan thanksgiving.

Ten years ago, with about two-thirds of the territory of the mother Diocese of Central Pennsylvania, and embracing more than twice the size of the neighboring State of New Jersey, this jurisdiction was set apart, and began its separate existence, under newly-elected leaders, and an untried, recently consecrated Diocesan, in place of the experienced, and honored, Dr. Talbot, now the Bishop of Bethlehem. It was felt by Clergy and Laity alike that our trust must not be in our own resources, but upon the guidance and power of God the Holy Ghost. This was especially fitting as Harrisburg, Capital City of the State, was chosen for the Diocesan name, and as the first settlers of the Commonwealth of Pennsylvania had been Churchmen and Friends, who emphasized the leading and personal guidance of the Paraclete. The dove, representing the Holy Spirit, emblemed upon the arms of a Celtic cross, was therefore chosen as the central figure of the Diocesan Coat of Arms, and the Latin motto selected is, "Spiritu, dum spiro spero;" "In the Spirit while I breathe I hope." A little later, when a beautiful memorial chapel was given for the use of the Bishops of Harrisburg for all time, it was named "Chapel of the Holy Spirit," and a growing library, connected with it contains nothing but books concerning the Third Person of the Holy Trinity, written by men of many faiths and many languages. That conscious recognition of personal and corporate dependence upon the Holy Comforter might be felt by all, from the youngest to the oldest, the Ordinary in his visitations to the Parishes and Missions during the first year of his Episcopate, preached on the "Personality, Power and Presence of the Holy Spirit," showing different phases of the Spirit's work.

Starting in the Holy Spirit and aided, we trust, by His constant, overshadowing presence and guidance, we to-day can all acknowledge, that spiritual dependence and humility mean later on independence and godly triumph, and join with the angelic salutation and prophecy: "Not by might, nor by power, but by My Spirit, saith the Lord of Hosts. Who art thou, O great mountain? Before Zerubabel thou shalt become a plain: and he shall bring forth the headstone thereof with shoutings, crying, Grace, grace unto it." Zech. 4:6-7.

First of the known mercies to be recognized and recited here to-day, is the noble, Christ-like example of the saints of God who have finished their course and departed to the rest of Paradise; those who "allured to brighter worlds and led the way." Time will forbid giving but a list of their names, and their principal labor for the Church. Please rise while the Church's Roll of Honor is read and remain standing until the prayer is said.

Three of the Bishops of our American Church have passed to their reward during the year: The Rt. Rev. Robert Strange, D. D., Bishop of East Carolina, departed on August twenty-third, after a lingering illness. In a frail body was held a brain and spirit of greatest power. The English he wrote was clear, concise and masterful. He was my friend for years, and I received a letter from him shortly before his death. His spirituality gave him great influence, and the colored race had no warmer or wiser friend than he, in the House of Bishops.

The Right Reverend Franklin Spencer Spalding, D. D., Missionary Bishop of Utah, and Bishop in charge of the Missionary District of Nevada, was called home suddenly by automobile accident, September twenty-fifth. The news shocked the Church and all Christian people from the Atlantic to the Pacific. When a student at the Seminary in New York he had read for me in Christ Church, and in 1908, after the Lambeth Conference, he and Bishop Rowe, of Alaska, had traveled with my family and me in France and Italy. He had also spoken in this Church, and in this Diocese, where he had many friends. Strong, magnetic, incisive, speaking the truth without fear or favor, rebuking Mormon polygamy, corporate crookedness, and political trickery with righteous wrath, he was a knight-errant ever ready to break a lance and lead an attack on entrenched wrong. His broadness and fairness were shown by the fact that both employers and employees united to do him equal honor at his obsequies.

The Right Reverend Robert Weeks, D. D., Bishop Coadjutor of Vermont, died October twenty-fifth. Only consecrated on January 29th, 1913, his short Episcopate lasted only twenty-one months. I knew him but slightly. He was of quiet and scholarly tastes, and impressed all by the gentleness and sweetness of his prayerful personality.

Of our Diocesan Clergy but two have left us by death. Rev. Charles Edward Fessenden, Rector of Trinity Church, Jersey Shore, aged 67 years, was a soldier of the Union during the Civil War, and was graduated from the Philadelphia Divinity School after its close. As a Clergyman he was reticent and studious, and a most successful Pastor. A memorial tablet has just been erected in Trinity Church. His last work there was to extinguish by the efforts of himself and family a burdensome mortgage on the Parish House.

The Rev. Alan Sheldon Woodle, Rector Emeritus of St. Luke's, Altoona, since 1906, was Rector of that Parish for thirty years. He was formerly editor of the *Church Journal*, published in New York City. With strong convictions, though suffering from an incurable disease, with the help of his devoted wife he met the exacting demands of his large Parish for years, and later his visits to his former

parishioners were always occasions of great joy. His venerable face and form will be missed at our Conventions.

James McCormick Lamberton, who for his love and devotion to this Diocese, was often jestingly called "Bishop Coadjutor," died on Palm Sunday, April 28th, and was buried from St. Stephen's Church, April 30th. He had held almost every office which a Layman could hold in his Diocese, had been president of the Church Club and also the Church Clubs of the United States. I trust at the proper time to-morrow a suitable minute will be offered, and printed in the Journal, and that some time we may have given the Diocese a memorial which may perpetuate his honored name to future generations.

Others of our honored dead whose names have been sent me are as follows: Mrs. Louisa Eaton, and Mrs. Mary Willston Breck, widow of the Rev. Dr. Breck, first Rector of St. Paul's, communicants of St. Paul's, Wellsboro.

Mrs. Annie Elizabeth Cassel Thomson, aged 81 years, for 23 years and until within two months of her death, organist of St. Stephen's Church, Thompsontown.

George W. Stephenson, Vestryman of Trinity Church, Jersey Shore.

Mrs. Henrietta M. Caldwell, a communicant of St. Andrew's Church, Tioga.

Levi G. Hatton, Vestryman of Trinity Church, Shamokin.

Miss Margaret M. Hull, a communicant of Christ Church, Milton.

Mrs. Catharine Ritter Appleton, mother of the Rector of St. Paul's, Harrisburg. Miss Louise Winthrop Koues, founder of the Church League of the Baptized.

Hon. William McClean, communicant and for many years Warden of the Church of the Prince of Peace, Gettysburg.

Mrs. Guy Maynard, Mrs. James Meredith, Mrs. B. S. Bentley, communicants of Trinity Church, Williamsport.

George W. Haldeman, Vestryman, Mrs. Mary Salome Welsh, Carrie Bletz Crowther, Mrs. Jennie Maud Price, Jacob Shultz, communicants of St. Paul's, Columbia.

John Llewellyn Lawrence, Anna Barbery Hayman, Ida May Skinner, Major Chauncey Ives, Mary Elizabeth Hayman, communicants of Trinity Church, Chambersburg.

William Hamilton, Senior Warden of Christ Church, Leacock, and Mary Lytle, communicant of the same Parish.

Mrs. William J. Rose, communicant of St. Luke's, Mechanicsburg.

Mrs. Emma K. Ege, oldest communicant of St. John's, Carlisle, and Miss Laura A. Zeigler, also a communicant of the same Parish.

Most merciful Father, Who hast been pleased to take unto Thyself the souls of these Thy servants; Grant to us who are still in our pilgrimage, and who walk as yet by faith, that having served Thee with constancy on earth, we may be joined hereafter with Thy blessed saints in glory everlasting; through Jesus Christ Our Lord. Amen.

A second gratifying evidence of Divine oversight and governance is the peace and unity which has uninterruptedly prevailed in our household of faith. Clergy and Laity alike will agree that partizanship is unknown as affecting either personal friendships or elections. We have been and still have with us men of the strongest and most uncompromising character, but they have recognized the broadness and catholicity of the Church, and have not attempted in any way to limit her comprehensiveness by unfriendly words or acts toward those who differed from them. At the last Convention in Lancaster it occurred, as I think it never happened in the American Church before, that every resolution offered, though it may have been debated during its passage, was finally passed or negatived unanimously, with not one dissenting, on its final vote. Clergy and

Laity have been swift to praise each other, and loving and gentle in personal criticism. So far I have never asked the Convention for anything as its Bishop and President, that it has not granted me quickly and unanimously, and I publicly thank the Convention, both Clerical and Lay Delegates, for their unvarying courtesy and consideration.

Third and last, the material increase and numerical gain in the Diocese is a reason for thanks to "God, from Whom all blessings flow." There is not time to describe or state parochial growth, but the following summaries may be of interest:

This Diocese consists of 24 counties, and covers 18,566 square miles. During the ten years—1905—1915—there have been: Baptisms, 5,498; Confirmations, nearly 6,000; Ordinations, to the Diaconate, 47; Ordinations to the Priesthood, 48. Communicants in 1905 were 8,645; communicants in 1914 were 10,537.

In 1906 there were contributed to Diocesan Missions from all sources, $4,360.56. In 1914 there was contributed to Diocesan Missions from all sources, $7,168.30.

In 1906 there was contributed to General Missions from all sources, $4,672.33, including boxes. In 1914 there was contributed to General Missions from all sources, $6,640.31, cash, without counting the Missionary boxes, valued at several thousand dollars more.

Total contributions in 1905 were $133.472.22; total contributions in 1914 were $177,992.86; grand total of contributions in 10 years, $1,634,378.73.

In 1905 there were of Church Buildings, 66; Rectories, 42; Parish Houses, 18. In 1915 there are of Church Buildings, 100; Rectories, 63; Parish Houses, 36. A gain in 10 years of Church Buildings, 34; Rectories, 21; Parish Houses, 18.

In addition to these buildings, plots of ground have been obtained either by gift or purchase on which it is expected to build shortly, in the following places: Altoona, Coudersport, Harrisburg (2), Hughes Hill, Lancaster, Manheim, Mont Alto, Mt. Holly Springs, Mt. Joy, Paradise, Quarryville and Rutherford.

Not unto us, not unto us, O Lord, but unto Thy Great Name, be all the praise.

Thankfulness is only thinkfulness, and caused by reflection on the Almighty's long suffering and patience with His people in the past. Our part is to show that we appreciate our blessings, and to be more unselfish and prayerful hereafter. As Frederick Morris never read a book without a prayer, so may we begin and finish each daily pleasure or task with the same. Make God your Director. Under His direction in the words of the familiar collect, we will have "most gracious favor and continual help," when "all our works" are "begun, continued and ended" in Him. If we are not answered it will be because Omniscience and Love refuse permission to harm ourselves or others, or because we have by our sins severed the connection and relation established by faith. God will force no man's will. If we choose to abide in the dark abodes of wickedness, and shut out the light; or if we, merely through defiant indifference, walk by deliberate choice, on the cold, shady side of the street, the warm beams of His sunshine will never find us, but the moment we care enough for ourselves or others to come out of our darkness and coldness, and changing our places, seek the brightness of the Sun of Righteousness, we will find waiting us the health, happiness and strength which might have been ours long ago, had we sought it. The sun ever shines down into the world's gloom from the throne of God in that land where no night is, and only they lose it, who wilfully refuse to see. "Open thy mouth wide and I will fill it," are

God's words. His mercy is over all His works. He promises that He may reward. He threatens that He may not punish. Haeckel may compare all processes to the formation of a crystal, but the conversion of an immortal spirit from rebellion to childlike submission has no parallel in material laws or processes. I believe in material laws for material objects, and in spiritual laws for spiritual growth. These laws are equally true, but they are not the same. This world is bound by silken (not iron) chains to the feet of God. Prayer is the overruler and conqueror of all spiritual and material substances and states. Faith gives to feeble men the power of giants to cast out devils, and through Christ abolish fleshly lusts and death. "This is the victory that overcometh the world, even our faith," writes St. John (I, 5:4). "If we are to live at all, we must live, and civilization can only live. by religion," says Prof. Seely, of Cambridge; and William James writes, "There is only one unconditional commandment, which is that we should seek incessantly, with fear and trembling, so to vote and act as to bring about the very largest total universe of good which we can see."

Seek to know thyself and find by prayer the work God meant for you to do. Each one was created for a special task, and it will be forever undone unless we find it and porform it.

Let me close with Thomas Carlyle's challenge to himself to nerve to personal duty. "Be no longer a Chaos, but a World or even a Worldkin. Produce. Produce. Were it but the pitifulest, infinitesmal fraction of a product, produce it in God's Name. 'Tis the utmost thou hast in thee; out with it then. Up, up. Whatsoever thy hand findeth to do, do it with thy might. Work while it is called to-day; the night cometh, wherein no man can work."

May God show us our work as a Diocese, and the Holy Spirit grant us power and courage to do it, and do it NOW.

APPENDIX C.

REPORT OF THE BOARD OF RELIGIOUS EDUCATION TO THE CONVENTION OF THE DIOCESE OF HARRISBURG, 1915.

Pursuant to the sections of Canon XIV, the Board of Religious Education of the Diocese of Harrisburg has performed its duties as follows:

Under Section 3, the Board met and organized as follows: Rev. J. F. Bullitt, Secretary; Mr. G. F. Stibgen, Treasurer.

Under Section 4, Delegates to the (then) Department Convention were duly elected, and two of them were present at the meeting of the Provincial Synod in Pittsburgh. By the legislation of the Synod the Department Convention ceased to exist, and this Section 4 of our Diocesan Canon should be repealed. In order, however, to provide a similar Diocesan representation at the meetings of the Provincial Board of Religious Education, and as an adjunct to it, that Board created a Provincial Sunday School Commission, consisting of two members from each Diocesan Board of Religious Education in the Province. And at the meeting of the Provincial Board in Washington, D. C., April 20, the two members of the Sunday School Commission from the Diocese of Harrisburg were in attendance.

Among the resolutions and recommendations adopted at the meeting of the Provincial Sunday School Commission at Washington, the following are commended to the consideration of this Convention:

"Institutes by groups of small Sunday Schools; the passing on to other Sunday Schools of unused materials; and more detailed organization for co-operation and offerings."

"That the members of the Sunday School Commission be urged to aid in their respective Dioceses in organizing a series of Sunday School Institutes, and pledge their co-operation to the extent of inviting speakers and helpers for these meetings."

"That whereas many of the members of our Sunday Schools are big boys and girls and adult men and women, we request the authorities of the Board of Missions and others that they do not address them either by letter or by word as 'Dear Children,' but rather as 'Dear Scholars' or 'Members of the Sunday School' (which includes officers and teachers as well as scholars), or by some other appropriate term."

"That whereas there has been lately a marked increase in the membership of Adult Bible Classes, we heartily recommend the formation of such classes wherever possible, as they form a very important factor in our Sunday School work."

"That each Diocese in this Province have a Superintendent over each of the seven Departments for Sunday School work:

(1) Font (or Cradle) Roll, (2) Primary, (3) Junior, (4) Senior, (5) Adult Bible Class, (6) Teacher Training, (7) Home Department."

"That we use every effort to push the Home Department, and make it the aim of every worker to enlist every member of each Parish in some course of religious instruction."

"That the Commission recommend the formation of Parochial Boards of Religious Education."

By resolution of the Provincial Board, also, each Diocese in the Province is "asked to appoint a Committee on Publicity;" and in accordance with this the Rev. Dr. Floyd Appleton, Editor of the *Harrisburg Churchman*, has been appointed to this office and has accepted the appointment.

All the meetings, also, of the Joint Diocesan Lesson Board have been attended by the representatives from the Diocese of Harrisburg appointed by the Bishop from the Diocesan Board of Religious Education. The Joint Diocesan Lesson Board, organized in 1877, and a creation of Pennsylvania enterprise, has been preparing schedules of lessons for 38 years. A vast majority of the Sunday Schools of the Church use the lessons so prepared. This Board is working in harmony with the General Board of Religious Education, and seeking to supplement its work in every way possible. All of the schedules now in use are based upon the Standard Curriculum set forth by the General Board of Religious Education. Each Diocese is entitled to representation by two members on the Joint Diocesan Lesson Board; and the Diocese of Harrisburg has been duly represented at the meetings and has fully participated in the work of this Board for several years.

Your Diocesan Board is, thus, able to report, as above, the performance of its duties under this section of the Canon representing extra Diocesan activities.

Under Section 5, the Parishes and Missions of the Diocese have been associated in seven groups, each of which, to the extent of the Board's judgment, is composed of communities sufficiently near together to make a one-day Conference of its members conveniently possible in time and expense. The constitution of these groups is as follows:

Group I—Cumberland, Franklin, Dauphin, Perry and Juniata Counties;

Group II—York, Lancaster and Adams Counties;

Group III—Blair and Huntingdon Counties, and Philipsburg.

Group IV—Columbia, Montour and Northumberland Counties, except Dewart;

Group V—Lycoming, Sullivan, Union Counties and Dewart;

Group VI—Potter and Tioga Counties;

Group VII—Centre and Clinton Counties, except Philipsburg.

The Board welcomes any suggestions as to more convenient composition of these groups.

In securing Chairmen for the groups the Board has been less successful. Out of seven, one has resigned, another declined, and a third removed from the Diocese. The Chairman of each group is asked to assist the work of the Diocesan Board in the following particulars and in any other ways that may recommend themselves to him:

By holding each year at least one Conference (more, if possible,) of the Parishes and Missions in his group, with the general object of increasing interest in and spreading useful ideas concerning Religious Education;

By reporting to the Diocesan Board, before May 1st, any matters of interest respecting his group and its Conferences which may prove useful to the Board in its report to the Diocesan Convention;

By promoting in any way within his resources the efficiency of Religious Education in his group;

By enabling the Diocesan Board to render service when and where it may acceptably do so.

Each group may well have—(a) a Secretary ot preserve records of the Conferences and such other information or statistics concerning the group as may be serviceable; (b) a Treasurer to handle any funds of the group for its own or the Board's use; and (c) a Representative (layman or woman) in each Parish who will promote interest in the Group.

Intelligence as to the increasing importance of Religious Education and as to the movements, principles and manifold aspects connected with it could be much advanced if at every Archdeaconry meeting in the Diocese a Conference on this subject were made a fixed item of the regular program. It is distinctly missionary in its bearing, for it is the characteristic method by which this Church propagates itself. And the effect of such discussion, conducted at the Archdeaconry meeting by some invited speaker, would be to stimulate the smaller Group Conferences.

The members of the Diocesan Board, to the extent of their time and means, are ready and anxious to render any service which may be acceptable from them in the promotion of Religious Education, and especially of "Efficient Sunday Schools."

During the year, by invitation, "Religious Education" was made the subject of a Conference at a meeting of Williamsport Archdeaconry, and the subject of addresses at the meeting of Harrisburg Archdeaconry in Carlisle, at the meetings of the Woman's Auxiliary in Millersburg and in St. John's Church, Lancaster, and at a service in St. Paul's Church, Harrisburg.

Numerous letters asking for information or suggestions have been received, most of which the Board have been able to answer satisfactorily; but the lack of funds for printing and postage as well as for travel expense has limited the resources of the Board to make the best use of many very evident opportunities to help.

Under Section 6, it is the duty of the Board to report that the General Board of Religious Education has apportioned to the Diocese of Harrisburg $238.00 as its share of the General Board's expense. This obligation is one of three which rest upon each Diocese resulting from the creation by the General Convention of the three General Boards of Missions, Religious Education, and Social Service. Conventions and Synods are supported through an "assessment" upon each Parish which must be paid in order to secure representation; Missions are supported by an authorized "apportionment" to each Parish which indicates the minimum amount expected of each; but Religious Education and Social Service are supported by no generally accredited parochial method, and depend upon the action of each Diocese to authorize some method of its own by which the General, Provincial, and Diocesan Boards are financed. In the Diocese of Harrisburg two different methods of supporting the Boards of Religious Education have been in practice during the last two years: the first, by solicitation from Parishes and individuals naturally proved both burdensome and ineffective; the second, by an appropriation included in the Diocesan budget (and thereby in the parochial assessments) has proved effective enough so far as it went, but has failed to include provision for either the Diocesan or

the Provincial Board. One hundred dollars were appropriated to the General Board, last year, but no addition was made of fifty per cent. for the use of the Diocesan Board (as Section 6 of the Canons provides), nor any for the Provincial Board.

Recognizing the probable inability of the Diocese of Harrisburg to meet the full apportionment of $238.00 for the work of the General Board, and having in mind the equally just claims of both the Diocesan and the Provincial Boards, the Diocesan Board of Religious Education asks the Convention for an appropriation of $250.00 for the ensuing year, to be divided, $100.00 each to the General and to the Provincial Boards, and (fifty per cent. of the former) $50.00 to the Diocesan Board.

As to the General Board, the measure of what we ought to provide—like that for Missions—is doubtless indicated by the apportionment; and it is for this Convention to determine whether $100.00 represents a due attempt at this provision. As to the Provincial Board, it has definite expenses amounting to over $2,700.00 per annum, in which we have acquiesced by our Diocesan representation, by which we have actually benefited during the past year, and for which, therefore, we are in part responsible. The Rev. Dr. Mitman, the salaried Field Secretary, an industrious and efficient embodiment of the Provincial Board's activity, is at your service. The Provincial Board is unavoidably dependent upon voluntary contributions from the Dioceses within the Province to meet its annual expense; and every Diocese in the Province of Washington, except the Diocese of Harrisburg, made some provision for this last year. Moreover, upon the members of your Diocesan Board, coming as they do in personal contact with the meetings, the work, and the needs of the Provincial Board, is laid the responsibility of securing support for these by some proper action of this Diocese. The claims of this provision can hardly be less than those of the General Board. As to the Diocesan Board, itself, the provisions of Section 6 definitely fix its proportion of authorized support at fifty per cent. of the amount devoted to the General Board. If more is needed, it must be secured by solicitation.

The Diocesan Board of Religious Education begs to offer the following recommendations for action by the Convention of the Diocese of Harrisburg:

(1)—That $250.00 be appropriated to the work of Religious Education during the ensuing year and included in the parochial assessments, to be divided, $100.00 each to the General and to the Provincial Boards, and $50.00 to the Diocesan Board.

(2)—That Canon XIV be amended by striking out Sections 4 and 7, and numbering the remaining sections accordingly.

(3)—That the several Archdeaconries be directed to appoint a Conference on Religious Education as one item of their programs at regular meetings.

(4)—That the resolution and recommendations reported herein from the Provincial Sunday School Commission be approved by this Diocese.

(5)—That the graded schedules of Sunday School lessons set forth by the Joint Diocesan Lesson Board be recommended to the consideration of the Sunday Schools of the Diocese.

(6)—That the whole subject of Religious Education be urged upon the attention of the Clergy and Laity of this Diocese, and that this Convention adopt recommendation of the Provincial Board to observe a special week for the presentation of Religious Education in every Parish of the Diocese.

Religious Education is now generally understood and accepted to include vastly more than Sunday School work. Perusal of the little pamphlet entitled "The General Board of Religious Education; Purposes and Plans," will make this clear to anyone who has missed the fact. Side by side with Missions and Social Service, Religious Education stands as one of the great accredited general departments of the Church's organization. Moreover, it is attaining a special significance at the present time when Herculean efforts to extend the Kingdom of God by missionary endeavor and evangelistic campaign are appealing to the imagination and exciting the enthusiasm of people as never before. The method of "conversion" is being practically and efficiently pushed with masterful energy and surpassing devotion. But "an ounce of prevention is worth a pound of cure;" and it should be burned into the soul of every churchman that this Church of ours, if not on account of established standards and methods, yet certainly by virtue of habit and temperament, is unfitted at present to extend the Kingdom of God largely by the influence of "conversion," and is, therefore, the more urgently committed to the practice of Religious Education, and to the development of interest and efficiency in this practice.

Gave advice and consent to shortening the term of Candidacy to six months in favor of Frederick A. Cook, and to one year in favor of Alun Arwell Hughes. Gave advice and consent to shortening the term of Diaconate to six months in favor of David Pugh Griffith, John William Torkington and Charles Stuart Kitchin. Gave advice and consent for dispensations from the study of Greek in favor of Henry D. Speakman and John V. Davies; from Latin, Greek and Natural Science in favor of E. S. Barlow until he shall have been ordered Deacon. Recommended to the Bishop for ordination to the Diaconate, Gilbert S. B. Darlington and Ernest L. Paugh. Recommended Frederick A. Cook and Alun Arwell Hughes to the Bishop for ordination to the Diaconate, the recommendation to be effective when the term of Candidacy shall have expired. Recommended to the Bishop for Ordination to the Priesthood Rev. David Pugh Griffith, Henry Draper Speakman and Henry V. B. Darlington. Recommended for Ordination to the Priesthood John W. Torkington and Charles S. Kitchin. the recommendation to be effective when the terms of Diaconate shall have expired. Gave consent to the consecration of Rev. William Theodotus Capers as Bishop of Western Texas. Ratified the interim action of the officers of the Standing Committee in consenting to the purchase of a rectory by St. Matthew's Parish, Sunbury. Approved the Articles of Association of St. Peter's, Juniata, applying to be made an Organized Mission. Approved the charter of St. Stephen's Church, Mt. Carmel, applying to be received into the Convention as a Parish. Received the report of the Committee appointed to audit the accounts of the Treasurer of the Diocese.

June 3, 1914. The Committee met and organized by electing Rev. Rollin A. Sawyer, President, and Rev. Leroy F. Baker, Secretary. Resolved to meet in regular session four times a year, viz, on the Tuesdays in the weeks preceding the weeks in which the Ember Days occur in September, December, and in the Lenten Season, and on the first day of the Convention at the time and place of the same.

September 8, 1914. Gave consent to the consecration of Rev. William Caball Brown, D. D., to be Bishop Coadjutor of the Diocese of Virginia, and to the consecration of Rev. Frederick William Faber D. D., to be Bishop Coadjutor of the Diocese of Montana. Since the Committee did not meet in February, the regular time of meeting, and since for that reason the application for candidacy of Guy F. Caruthers was not acted on at that time, the Committee rescinded the motion of its last meeting and recommended Mr. Caruthers to the Bishop as a Candidate for orders to date from February 12th, 1914. Recommended Guy F. Caruthers for ordination to Diaconate.

December 8, 1914. Gave consent to consecration of Bishops as fol-

lows: Rev. Thomas Campbell Darst, to be Bishop of the Diocese of East Carolina; Rev. Paul Matthews, to be Bishop of the Diocese of New Jersey; Rev. Herman Page, D. D., to be Bishop of the Missionary District of Spokane, and Rev. Paul Jones, to be Bishop of the Missionary District of Utah. Recommended Rev. S. H. Rainey, Deacon, to the Bishop for ordination to the Priesthood. Gave advice and consent to shortening the time of Diaconate in favor of Ernest Leroy Paugh, for reasons fully stated, and recommended him to the Bishop for ordination to the Priesthood. Shortened the time of candidacy to six months in favor of Louis P. Davies and J. Vaughn Davies, for reasons fully stated, and recommended them to the Bishop for ordination to the Diaconate. Recommended Mr. David Yule to the Bishop as a Candidate for Holy Orders, the candidacy to date from July 30, 1914, and recommended him to the Bishop for ordination to the Diaconate.

February 16, 1915. Gave consent to the consecration of Rev. George Yemens Bliss to be Bishop Coadjutor of Vermont. Recommended Gordon Merritt Reese to the Bishop as a Candidate for Holy Orders. Gave advice and consent to shorten the time of Candidacy in favor of Lewis Chester Morrison to two years and four months, for reasons fully stated. Recommended Carl Ickes Shoemaker to the Bishop for ordination to the Diaconate. Gave advice and consent to shorten the terms of service in the Diaconate to six months, for reasons fully given, in favor of Rev. Frederick A. Cook, Rev. Guy Franklin Caruthers and Rev. Arwel A. Hughes, and recommended them for ordination to the Priesthood. Appointed Rev. George I. Browne and Hon. David McMullen a Committee to audit the accounts of the Treasurer of the Diocese.

May 10, 1915. Recommended James Hart Lamb, Jr., and Lewis Harner Huber to the Bishop for ordination to the Diaconate. Received and approved the report of the Committee appointed to audit the accounts of the Treasurer of the Diocese.

APPENDIX G.

ANNUAL REPORT OF THE BOARD OF MISSIONS.

The Board of Missions takes great pleasure in submitting its report to this Tenth Anniversary Convention, since with pride it can say that this year, as it should, shows the largest receipts and the largest expenditures in the history of this Diocese. And while success or failure cannot be measured by dollars and cents, these same dollars are absolutely necessary to successful work, since they mean more missionaries and larger appropriations than in the past—and more missionaries mean more work for the King, more baptisms, more confirmations, larger Church buildings and better facilities.

Never was there a time in the history of this nation when all its people should give as much as possible for Mission work. God has blessed us to the extent of keeping us out of the terrible conflict now in progress across the waters. And in no better way can we show our appreciation of His goodness than in giving larger sums than ever before for His work, not only in our own Diocese, but also in foreign lands.

The Treasurer, Mr. George N. Reynolds, reports as follows:

To balance on hand May 20, 1914,		$1,275 50
Received to May 11, 1915—		
From Parishes and Mission Stations,	$5,884 78

		7,663 26

Harrisburg Churchman,	440 00	
Mite Boxes,	23 54

Building Fund, St. Mary's, Waynesboro,	5 00	
		7,824 29
Balance on hand, May 11, 1915,		$1,114 47

Of this balance, $282.43 belongs to Bedford and Everett, which leaves a net balance of $832.04 to meet the July 1st pay roll of $1,500.00.

The Treasurer's report analyzed shows that your Board has expended $443.46 more than it received during the past year. If the work at all the Mission Stations is to be kept up to the same standard as during that period, it will be necessary to have increased offerings. You control this situation yourselves. If the necessary funds are not forthcoming your Board will be forced to close some of the stations now in operation. The Board doesn't want to do this, and believes you do not want it. Every Priest and Delegate to the Convention is strongly urged to see to it that more money is given for this purpose during the coming year.

REPORT OF THE ARCHDEACON OF ALTOONA.

All Mission Stations, excepting Trinity Church, Orbisonia, have the regular ministrations of a Clergyman, and the condition of many of the Missions is more encouraging than ever.

Holy Trinity Church, Hollidaysburg, in the care of the Rev. Malcolm DePui Maynard, has had a very successful year, showing many signs of encouragement. A decided forward movement in the matter of handling the debt on the Church building was begun with the payment of a note for $3,080 by the united efforts of the congregation. In addition to this the indebtedness on the Parish Hall has been reduced to $150. The Easter offering, devoted to this purpose, amounted to $100. The Sunday School has grown in numbers, and quite noticeably in interest and in financial contributions. An important feature of the work at Holy Trinity has been this year more than ever before, more intimate relations between the Church and Miss Cowle's School for Girls, located here. Seven members of the faculty and about thirty of the pupils attend the services. Four of the school girls were prepared for confirmation and presented to the Bishop at the time of his visitation.

St. Peter's Mission, Juniata.—This Mission has much to encourage it, for in spite of the lack of work in the Juniata shops, her people have been faithful and made progress. At the last visitation of the Bishop, fourteen were confirmed. The Sunday School has increased its membership to sixty. On every hand interest and enthusiasm is manifested, which is especially noticeable in the good attendance at all services. By way of improvements, pews have been added, water has been taken into the Church, and in another year the basement will be fitted up for Sunday School purposes. The debt has been reduced $250; leaving the debt on the Church building at $1,650. All current expenses have been paid.

St. Barnabas' Mission, Altoona.—St. Barnabas' Mission at the present time is in charge of the Rev. W. M. Parchment, who by his energy and tactfulness has put new life into the Mission—and judging from the present encouraging condition it will not be many years before St. Barnabas' will be a self-supporting congregation. The services are well attended, the Sunday School is growing, and in all departments the people are most enthusiastic. The debt on the Church is being reduced and other obligations met. For the Bishop Darlington Memorial Fund the people have pledged the amount of $40.

St. James' Church, Bedford, and Christ Church, Everett, are in charge of the Rev. Albert Aune. Regular services are held and in many respects there is an improvement.

(Signed) FRANKLIN T. EASTMENT,
Archdeacon.

REPORT OF THE ARCHDEACON OF HARRISBURG.

Since the first of January, the Rev. David Yule has been in charge of Blue Ridge Summit, Beartown, Maryland Sanatorium and Waynesboro. He has been a faithful and true Pastor, and has already endeared himself to the people. The attendance at all the services has been remarkably large.

St. Mary's Church, Waynesboro, has been completed and was used for the first time on Easter Day. It is a very pretty building of stone and stucco work, with a finished basement, costing in all about $3,500. There is a debt upon it of $1,700. The people are justly proud of their new Church, and are hastening to pay the indebtedness. All the interior furniture was the generous gift of Mr. C. B. Keferstein.

For three months, ending at Easter, Prof. Joseph K. Goodrich, a Lay Reader, maintained services at St. Andrew's Church, Shippensburg. The Bishop has now appointed Rev. John A. Miller, formerly of Coudersport, to the charge of this Mission.

St. Luke's, Mechanicsburg, continues in charge of Mr. George E. Howard. Lay Reader. Services have been kept up regularly, and considerable repairs have been put upon the Church and Rectory. Mr. Howard has also, with the assistance of neighboring Clergymen, maintained regular services at St. Michael's, Middletown. The debt there has been reduced $125.00, and all other indebtedness has been paid.

At the Mont Alto State Sanatorium for Tuberculosis Patients, our Chaplain, the Rev. Mr. Speakman, has ministered faithfully to the patients and worked loyally in assisting those in authority in carrying on this merciful work. But it must be said here with perfect frankness that it is not fair to compel our Chaplain and his family to live in such crowded and hence unhealthy quarters as they have occupied the past year. Let us right this wrong at once. The work is full of dangers, and it is imperative that a suitable addition of good appearance be made to the present little dwelling, both for the safety of the Chaplain and his family, and for the credit of the great Church they represent. There is now on hand $265 toward this work.

The work at Camp Hill and New Market progresses steadily under the self-denying labors of Rev. Mr. Bridgman, who persistently refuses to accept any stipend from your Board. The New Market Church has been presented with a beautiful Font.

Rev. Dr. Appleton, Rector of St. Paul's Church, Harrisburg, seems filled with that missionary spirit which characterized one of his predecessors—now our General Missionary. Dr. Appleton has made a thorough visitation of Enola, gathered the people and has held services there with gratifying results, for which we are indebted to him; and wish him continued success.

St. Andrew's, Harrisburg, under the Rev. Mr. Bullitt, has gone through a year of not only "watchful waiting," but of strenuous working and regular giving. The number of communicants has increased, the Sunday School has grown larger and all the departments are busily working. Much needed alterations have been made on the main floor of the Parish House at a cost of $150 and all current expenses paid, apportionment for Diocesan Missions fully met, and $60 given to General Missions. A new piano and additional radiators have been presented. We are most thankful to the God of all mercies that the Rector has completely recovered from the serious illness from which he suffered during last winter.

The mortgage indebtedness and all interest charges on St. Augustine's Church property, amounting to over $2,000, has been fully paid. This has been done through the generosity of Bishop Darlington and friends from whom he solicited money to accomplish this good result. Let us hope that this will mark the beginning of a new life and greater effort on the part of this congregation towards self-support and sharing the burdens of others. Rev. E. L. Henderson is now Pastor of St. Augustine's, and they are fortunate in having a man of his ability and experience to lead them.

Our new Mission of St. Ann's, Rutheford, is under the care of Mr. John P. Braselmann, who holds regular Sunday services in the hotel parlor, and is interested in doing everything possible to instruct the people and establish the mission. Mr. Braselmann does a lot of mission work in and about Harrisburg without praise or remuneration, because he loves the Church, and God has blessed him with strength and a willing heart to render this service.

Rev. Mr. Dorwart, in charge of Newport, Thompsontown and Millersburg, has kept up services regularly. By means of many ingenious devices he has supplemented the offerings of his people so that all current expenses have been paid, and a worthy effort has been made to meet apportionments. The automobile has been of great assistance. It can be said to have passed the experimental stage. In efficiency and economy it has justified the venture.

The Rev. J. Vaughn Davies has spent a busy six months at Lykens and Williamstown with good results. He brings to his work a ripe experience and zeal for souls which is telling in the up-building of his Missions. He has a goodly number of baptisms to his credit.

Rev. Mr. Dorset has, with the valuable assistance of Lay Readers, maintained services regularly at Paradise, Nickel Mines, Leacock and Quarryville. Two young gentlemen from St. John's, Lancaster, hold services every Sunday at Quarryville, which is gratefully appreciated by the people. They are endeavoring now to haul stones enough for the foundation of the new Church, preparatory to the coming of the Bishop to break the ground.

At St. Paul's, Manheim, under the Rev. Dr. Blose, improvements and repairs have been made to the property. The interior of the Church has been papered, the exterior of the Rectory has been painted and this, together with the extensive new sidewalk, has all been paid for.

Rev. Mr. Kitchin, who has been for some time in charge of Elizabethtown, has been transferred to Blossburg. He has endeared himself to the people by his faithful services, and leaves the Mission all the better and stronger for his having been there. They have lately rented an old wagon factory, and transformed it into a beautiful and commodious Chapel and Parish House. Friends have kindly contributed furnishings which make it churchly and complete, and the people feel greatly encouraged with their new possessions, and are working zealously in the upbuilding of the Sunday School and congregation. Seven received confirmation at the Bishop's recent visitation. Mr. John A. Snell, the new Assistant Superintendent of the Masonic Home, is a Lay Reader and good, earnest churchman. With devoted earnestness he gives his time and talents to the work and is a source of strength to the Mission.

Rev. Mr. Hooper, in charge of Gettysburg and York Springs, has held regular services, and is hopeful for the future growth of his Mission. While we are writing this, there comes to us the sad news of the death of Hon. William McLean, a life-long resident of Gettys-

burg, a well-informed and conscientious churchman, an upright Judge and a man of unimpeachable character. He carried his well-rounded life of over four score years with almost the buoyancy of youth. May the Lord bless him with rest and peace and light eternally.

Archdeacon.

REPORT OF THE ARCHDEACON OF WILLIAMSPORT.

The Missions in the Archdeaconry of Williamsport have had an unusually successful year, and in every instance the work shows healthful growth and gratifying progress.

At Trinity Church, Jersey Shore, the Church building, Guild Hall and Rectory have all been painted and put in first-class condition, the indebtedness on the Mission has been reduced $250, the weekly pledges have more than doubled in June. The choir has been increased to sixteen members, and the Sunday attendance has been uniformly excellent. The Missionary, the Rev. Alan A. Hughes, has visited a great deal in the outlying districts, and commended the Church to the interest and good will of the people, and this interesting Mission now enjoys an inspiring prospect.

The little town of Centralia, in the hard coal district, is so undermined that some people are afraid to live there. The place, like others of its kind, is not holding its own, and no industrial improvement of any sort is likely to come immediately, and yet the Mission of the Holy Trinity has done a commendable work. There is a Sunday School of sixty, two adults have been baptized and four presented for confirmation. St. Mary's Guild, composed of a few most faithful women, cares for the repairs and improvements to the Church property, and every year raises considerable money towards the current expenses of the Mission. A choir of twenty young people render the service reverently, and the Church work goes on in fine spirit and with a surprising measure of success when one remembers the difficulties under which it is done.

Brookland, in Potter county, has no winter population, but operations have begun on an oil field which if successful, will mean much for the Church and the region. There is a beautiful stone Church and a Rectory, and a small endowment, dating from the time when the town was a flourishing lumber center. Connected with Brookland and twelve miles away is Galeton, an active industrial city where the Church is making substantial progress, and where the Mission can take its place among the Organized Parishes. Brookland and Galeton are fortunate in having as a leader the Rev. Harold E. Schmaus, whose good sense and sincerity have won the confidence of all, and done much to establish the Church in the two places.

Milton, Northumberland and Dewart are in charge of the Rev. Percy E. Dix. At Milton extensive improvements and repairs have been made to the Church property. Miss Margaret M. Hull, who has since gone to her reward, by her own efforts secured about $400 with which the interior walls were decorated and the woodwork and pews painted. Other ladies purchased a new carpet for the Church floor, the men of the congregation had the Church wired for electric light, and the guild has raised almost $450 for necessary expenses and improvements. A class of ten for confirmation, the second within a year, is under instruction, and a fair future seems to await this Mission. At Northumberland the interior of the Church has been repaired and painted and a new furnace contracted for, and all

indebtedness paid off. The nearest member of the Church at Dewart lives a mile away, and this part alone accounts in large measure for the difficulty of maintaining aggressive missionary work at this place. With the coming of summer the Missionary is hopeful that prospects will brighten, and some permanent progress be made.

At Halls and Upper Fairfield, services have been regularly maintained by the Rev. C. H. Doupe, who resides at Montoursville. The congregations at the Church of the Good Shepherd, Upper Fairfield, have been unusually good, and all apportionments have been paid in full. At the Chapel of the Epiphany, Halls, the Sunday School has made good progress, and this little Mission has also paid its apportionments.

The Rev. George O. Eskins, in charge of the Mission at Mansfield, Tioga and Lawrenceville, has begun a new work at Button Hill, where services have been held every Friday evening in the school house, and with a good attendance. Five from this Mission were presented for confirmation at the Bishop's recent visit and the land has been given for a new Church to be built this summer.

St. John's, Westfield, the Rev. Guy F. Caruthers in charge, has had a most successful year. Through the generosity of a Vestryman, Mr. Eberle, the contract has been given for a new organ to be installed during the summer. The Men's Club conducted a one-day campaign for funds for a municipal gymnasium now in course of construction, which will be of great benefit to the young people of the town. On the occasion of the Bishop's visit, a class of twenty was confirmed, the largest in the history of the Mission, and financially the Church is in good condition. St. John's, Westfield, is to be congratulated on the splendid work accomplished. The Missionary at Westfield has also been going to Knoxville, where services have been held in the homes of the people on Sunday afternoons, and a work of good promise has been begun.

The Missions at Berwick, Catawissa and Coles Creek, in charge of the Rev. C. C. Kelsey, report a very encouraging year. The congregations have been kept up in attendance and generous offerings have been made to the General Clergy Relief Fund, the American Red Cross, the Belgian Relief Fund, and splendid responses have been made to the special appeals of the Board of Missions. The Easter offering for parochial purposes was $154. At Catawissa one person was confirmed, the first in many years. At St. Gabriel's, Coles Creek, the Church Calendar was enriched by the observance of "Auto Sunday," when large parties came from considerable distances to attend services, and bring cheer to their fellow church people of this interesting Mission.

The Missions at Eaglesmere, Laporte and Nordmont, high up in the mountains of Sullivan county, afford an interesting field, of which the Rev. Lewis P. Davies has charge. Eaglesmere is for the most part a summer place, and yet an important work is maintained throughout the winter, often with the thermometer far below zero. The evening services at Nordmont are splendidly attended, men being largely in the majority. At Laporte, during the winter, services were held in the Rectory.

At Arnot, now in charge of the Rev. C. S. Kitchin, together with Blossburg and Antrim. Mrs. Jenkins, a devoted Church woman of Harrisburg, spent eight weeks, and a fresh interest in Church work and life has been the result. A class of nine or ten awaits the Bishop's visit for confirmation. Good classes for confirmation are also preparing in Blossburg and Antrim, where the large attendance of men has been a marked feature of the services.

St. Andrew's, State College, also reports a most successful year. Under the auspices of the Y. M. C. A. an evangelical campaign was undertaken during the winter, with John R. Mott and a hundred workers in charge. As a direct result the Missionary had interviews with 38 of the Church boys, guiding them in the use of the Church and Prayer Book and the study of the Scriptures. In all 145 of the regular students at State belong to the Church. One of the students in the Department of Landscape Gardening has prepared a finished plan of the Church and Rectory grounds, on which work is now being done. When the grading and planting is completed the Church property will be one of the most attractive sites in the town, and will face what will be a public park and playground on which work is now being done by the school board. In the coming years this beautiful property with its attractive setting will be one of the choicest in the Diocese.

The Mission at Exchange, in charge of the Rev. A. R. DeWitt, has contributed $25 to the $10,000 Endowment Fund. It has a growing Sunday School with eight teachers and sixty scholars, and has had a year of normal growth and progress.

A new work has been begun at Cole Run by the Rev. E. S. Barlow, who also serves the Mission at Kulpmont, mention of which was made for the first time in the report of last year. Land is to be donated for the erection of a Church, and it is hoped work will soon be started, so that this very promising Mission may be put on a better footing.

Never since the organization of the Diocese has the missionary work in this Archdeaconry made such uniform and pronounced progress, and its healthful and vigorous condition is great cause for gratitude and confidence.

(Signed) LEWIS NICHOLS,
Archdeacon.

REPORT OF THE MISSIONARY TO DEAF-MUTES.

I take pleasure in submitting my report as your Missionary to the Deaf-Mutes in the Diocese for the year ending April 30, 1915. It is impossible to mention all the details of the work, but the following summary will give some idea of what has been accomplished.

Places visited and served: Harrisburg, Steelton, Altoona, Lancaster, York, Williamsport and Shamokin. Sixty-seven services were held with fifteen celebrations of the Holy Communion in public and three in private. Baptisms, public, 4; private, 1. Pastoral calls, 142. Offerings at the services, $137.21. Expenses for traveling and postage, $133.45.

I have also served the Dioceses of Bethlehem, Western New York and Erie. Much time is consumed in traveling the distance for proper attention to the Mission Stations in these four Dioceses and to minister to the large number of people committed to my pastoral care. The business depression has affected them, a good many have been out of work more or less and this has meant much extra work for the Missionary. However, there has been little actual distress and at the present the conditions seem to be improving. On account of their deafness, these people are more severely handicapped than is generally understood. They are to a great extent cut off from ordinary social and religious privileges. Special religious ministrations and pastoral care for the adult deaf are as much needed as special schools and means of education for minors. The deaf are

not locally congregated as ordinary parishioners are, but are scattered one here and one there, in every class of life among every denomination of Christians. Hence the work, instead of being confined to Parish limits, ramifies into all parts of the Diocese and aims to extend to all the deaf every aid and encouragement possible.

Much of the success of this work is due in a large measure to the continued hospitality and kindness of the various parishes. Rectors and Vestries who have given the deaf-mutes the use of their Churches and Chapels for our services, and their rooms for our socials and meetings. We feel this generosity very deeply, for our work would be impossible without this provision.

(Signed) FRANKLIN C. SMILEAU.
Missionary.

REPORT OF THE GENERAL MISSIONARY.

The General Missionary reports that during the year, ending with this Convention, he has made seventy-two visits to Parishes and Missions outside of Selinsgrove, and has in nearly every case presented the cause of Missions, both General and Diocesan. He has been privileged to speak on two occasions to the Archdiaconal meetings of the Woman's Auxiliary. Results are impossible of tabulation, but it is cheering to note that in several instances where he was not able to obtain an entrance every member canvasses have been made with results that those who are interested call good, and from one Parish, which was canvassed by himself personally, which four years ago scarcely made itself felt in Missions of any kind, the news comes this year that the apportionment for Diocesan Missions is fully met, and it is expected that the apportionment for General Missions will be met by September 1. A strenuous effort was made to engage the interest and co-operation of the Sunday Schools of the Diocese, especially in Diocesan Missions, and it is not easy to understand why the sum attained this year has fallen below that of last year. In all probability this may be accounted for by the fact that the offerings of the Sunday School may have been merged with the offerings of their respective Parishes. More and more Parishes and Missions and Sunday Schools are adopting the system of weekly offerings for Missions. This requires work and patience. Instruction must precede successful action, and large dependence must be placed upon the local authorities, Clergy, Vestries, Sunday School Superintendents and Teachers, for hearty and continuous co-operation in this work for Missions. The General Missionary has provided himself with a stereopticon, and has acquired a degree of skill in taking pictures and making lantern slides. He has now about seventy slides, showing the map of the Diocese, Mission Churches, Rectories and Parish Houses, and a few scenes of local interest. All this machinery is easily portable, can usually be set up anywhere in a few minutes. The General Missionary would be glad to respond to invitations to lecture on Diocesan Missions with the help of his lantern. His collection of pictures is increasing in numbers and interest, is unique, and would be most difficult to duplicate.

Under the direction of the Bishop, the General Missionary has charge of the property in Riverside, Orbisonia and Bedford. In these places repairs have been made, and property is inspected from time to time, and services are held by him as opportunity is presented.

REPORT OF THE FORWARD MOVEMENT COMMITTEE.

Though what is technically known as the Forward Movement began in this Diocese in the fall of 1910, there has been a real forward movement during the whole of the ten years of the life of the Diocese; for a study of the annual reports shows a steady progress, in spite of occasional fluctuations.

A statistical table disclosing the progress from year to year is not feasible because of the various changes of method which have taken place. Since September 1. 1911, the offerings of the Sunday Schools and what was formerly known as the General Fund of the Woman's Auxiliary are applied on the Parish apportionment. Funds for Missions among the Deaf-Mutes, formerly raised by a separate Commission, are since May, 1911, raised by the Board of Missions as a part of the fund for Diocesan Missions. These and other things have affected reports as well as methods.

Some comparisons will, however, prove of value. The offerings for Diocesan Missions from all sources for the year ending April 30, 1906, plus the fund raised for Deaf-Mute Missions, amounted to $4,748.69. The corresponding amount for the year just ended is $7,663.26, showing an increase of 60 per cent.

As regards General Missions, the total of offerings for that object for the year ending August 30, 1905, plus the offerings from the Sunday Schools and the General Fund of the Woman's Auxiliary, amounted to $3,120.76. The corresponding total for the year ending August 30. 1914, was $6,309.05, showing an increase of 100 per cent.

But in noting this increase in offerings for both Diocesan and General Missions, attention should be called to the fact that progress has not been uniform throughout the Diocese. As for Diocesan Missions, the Treasurer's report for the year just closed shows that 19 Parishes and Missions gave more than their apportionment, 34 paid the apportionment in full, 21 gave less than the apportionment, and 17 gave nothing. As for General Missions, the report for the last complete year shows that 17 Parishes and Missions gave more than their apportionment, 21 paid the apportionment in full, 38 gave less than the apportionment, and 15 gave nothing.

The Woman's Auxiliary offerings for Diocesan Missions showed a slight increase over last year, the figures being $577.94 and $559.55.

The Sunday School offerings for Diocesan Missions were less this year than last year, the figures being $376.58 and $437.58. Nine years ago the Sunday School offerings for Diocesan Missions amounted to $230.18.

It is purposed to continue the forward Movement in the hope that eventually in all the Parishes and Missions sufficient interest will be aroused to secure at least the payment in full of both apportionments.

The Board will gladly render assistance wherever desired to supplement the efforts of the local missionary committees who are aiding their Rectors, but the Board desires to express the conviction that a growth of interest in the missionary work of the Church and the prevention of any lapse in interest depend mainly upon the regular and zealous advocacy of the cause.

(Signed) ROBERT F. GIBSON,
Chairman.

The Bishop's Hand during the past year relieved three places—St. Mary's. Williamsport; St. Peter's, Juniata, and Trinity, Orbisonia. These places could not have been helped without its aid, and it is

hoped that many more during the coming year will enroll themselves as members. As you know, those who join agree to give a certain small sum, not more than five times a year at the call of the Bishop. The money thus raised is used to help struggling Parishes or Missions.

The Harrisburg Churchman was changed in size and style and an active campaign waged to secure paid subscriptions, which now number nearly 3,000. Second-class postal privileges have been granted and your copy will now reach you through the mails. The subscription price is small, 10 cents per year, and the Board suggests that every Priest should see that every family receives a copy—in no other way can they keep as well informed of the work of the Diocese. A good plan would be to send enough money to have a copy sent to every family and then collect ten cents from each—no one will refuse if asked for such a sum for *The Harrisburg Churchman.*

The very successful use of small automobiles by the Revs. Dorwart and Morgan has convinced the Board that only by supplying the Missionaries with them can the problem of a living wage be solved. By their use a Missionary can serve three stations instead of two. holding morning, afternoon and evening services. The Board has passed a resolution to purchase one as soon as possible, and the machine will be placed at the disposal of the Archdeacon of Williamsport for use in that Archdeaconry. As rapidly as funds can be had for this purpose additional autos will be secured and it is hoped that the time is not long distant when every Missionary will receive no less than $1,000. You can help bring about such a desired result by increasing your gifts to the missionary work of the Diocese.

Respectfully submitted,

RICHARD M. H. WHARTON,
Secretary.

EAST RIVER, CONN., *May* 10, 1915.

RT. REV. AND DEAR SIR: During the past year I have continued to act as Rector of the Church of the Ascension, New Haven, Conn. We have spent upwards of $500.00 in repairing and improving the Church property (which is worth about $25,000.00), paying most of the contracts in spot cash. And within this period I have presented twenty persons for confirmation.

Congratulating you upon the loving enthusiasm with which your Delegates are gathering to celebrate your Tenth Anniversary,

Most cordially yours,

E. H. WELLMAN.

NO. 3131 FAIRFIELD AVENUE,
FORT WAYNE, IND., *April* 30, 1915.

To the Rt. Rev. J. H. Darlington, D. D., LL. D.:

MY DEAR BISHOP: I report for the year last past that I have assisted the Rector in many of the services of the Parish Church here. I must thank him for his kindness in welcoming me so heartily to his chancel. I regret my limited purse forbids missionary efforts, which I pray God may open before me in some way, for I can render as good service now as at any previous time. Hoping for work too hard for a young man, I remain,

Sincerely yours in Christ and His Church,

HENRY P. CHAPMAN.

APPENDIX L.

CONSTITUTION OF THE PROTESTANT EPISCOPAL CHURCH IN THE DIOCESE OF HARRISBURG, TOGETHER WITH THE CANONS AND RULES OF ORDER OF SAID DIOCESE.

ARTICLE I.

The Church in the Diocese of Harrisburg, being a constituent part of the Protestant Episcopal Church in the United States of America, accedes to, recognizes, and adopts the Constitution and Canons of that Church, and acknowledges its authority accordingly.

The Diocese of Harrisburg comprises the following named Counties in the State of Pennsylvania: Fulton, Bedford, Huntingdon, Blair, Mifflin, Juniata, Lycoming, Tioga, Potter, Northumberland, Montour, Columbia, Union, Snyder, Sullivan, Clinton, Centre, Lancaster, Dauphin, Cumberland, York, Adams, Franklin and Perry.

ARTICLE II.

There shall be a stated Convention of the Church in this Diocese every year, on the second Tuesday in May, at such place as the preceding Convention may have appointed, but if no such appointment shall have been made, then the Bishop and Standing Committee shall appoint the place. The Bishop and Standing Committee shall have power to change the time and place of the meeting of the Convention.

ARTICLE III.

The Bishop may call special Conventions when he shall judge it conducive to the good of the Church; and he shall do so when requested by a vote of three-fourths of the Standing Committee. If the Episcopate be vacant, the Standing Committee shall have power to call a Special Convention; such call to be made by a circular letter to all the Clergy and Parishes, and issued not less than twenty days previous to the day appointed for the meeting of the Convention, stating the special business for which it is called.

ARTICLE IV.

Every Convention shall be opened with Prayers, as directed by the Bishop. On the first morning of the Convention there shall be a Celebration of the Holy Communion.

ARTICLE V.

SECTION 1. The Convention shall be composed of Clergymen and Laymen.

SECTION 2. Every Clergyman who as a Clergyman or Candidate for Holy Orders has had Canonical and personal residence in the Diocese for six months preceding the meeting of the Convention, and has been actually engaged for the same time in Church work with the previous written sanction of the Ecclesiastical Authority, shall

be entitled to a seat and vote in the Convention. *Provided*, That no Clergyman once entitled to a seat and vote shall be deprived of it through disability by reason of age or sickness so long as he shall remain personally a resident in the Diocese.

SECTION 3. The Lay Members shall consist of the Secretary, the Treasurer, and the Chancellor of the Diocese, if they be Laymen, and of one Lay Delegate from each Parish and Organized Mission in union with the Convention, with one additional Lay Delegate for each one hundred Communicants in such Parish or Organized Mission as reported to the Convention next preceding, fractional parts of a hundred being disregarded, the Laity in all cases, like the Clergy, voting as individuals; but no Parish or Organized Mission shall be entitled to representation in the Convention which for the space of two years shall have failed to make a Parochial Report to the Bishop, or for the space of one calendar year shall not have employed a Clergyman as its Parish Minister, or applied to the Bishop for the services of a Missionary; or shall have failed to pay the assessments laid upon it by the authorities of the Diocese on or before the first day of the calendar month in which the Annual Convention for the year shall be held. But any such Parish shall again be entitled to representation if, on its own application, accompanied by a report of its condition satisfactory on the points herein named, the Convention shall agree thereto.

ARTICLE VI.

The Bishop shall preside in Convention, but, in case of absence or vacancy in the Episcopate, the Convention shall elect a President from among the Clergy.

ARTICLE VII.

A Secretary shall be chosen upon the assembling of the Annual Convention, who shall remain in office until his successor shall be elected. His duties shall be to take minutes of the proceedings, to preserve the JOURNALS and Records and the Seal of the Diocese, to attest the public acts of the Convention and faithfully deliver into the hands of his successor the Seal and all books and papers relative to the concerns of the Convention which may be in his possession. He shall cause one copy of every printed JOURNAL to be certified under the Seal of the Diocese, which shall be deposited as the official record of such Convention, and shall be preserved by him as such.

ARTICLE VIII.

SECTION 1. A Treasurer and a Registrar shall be elected at each Annual Convention, to hold office until their successors shall be appointed.

SECTION 2. The Treasurer shall be the custodian of the Diocesan Fund and of the securities belonging thereto and to the Endowment Fund. He shall disburse said Diocesan Fund as authorized by the Convention or the Standing Committee.

SECTION 3. The Registrar shall be the custodian of all JOURNALS of other Dioceses and Jurisdictions, files, papers, reports and documents that shall become the property of the Convention, and shall keep the same in some suitable accessible place of deposit, subject

to the direction of the Convention. It shall be the duty of the Registrar to keep a record of the Ordinations and Consecrations of all the Bishops, Priests and Deacons of this Diocese in a suitable book; his certificate thereof shall be the authentic evidence of the fact of such Ordination and Consecration.

SECTION 4. Four persons, Laymen of this Diocese, citizens of Pennsylvania and Communicants, shall be elected at each Annual Convention to be, in conjunction with the Bishop and the Chancellor of the Diocese, Trustees of the Incorporated Trustees of the Diocese of Harrisburg. The Bishop of the Diocese shall be *ex-officio* President of the Board of Trustees.

ARTICLE IX.

A Chancellor shall be chosen at each Annual Convention. He shall be a Layman learned in the law, and a Communicant, residing in this Diocese, who shall remain in office until his successor shall be appointed. It shall be his duty to act as legal adviser of the Bishop and of the Standing Committee, and of all special Committees appointed by Convention whenever they may require legal advice in questions affecting the interests of the Church.

ARTICLE X.

The Convention shall elect annually a Standing Committee, to consist of five Presbyters and five Laymen, Communicants of the Church, who, when there is no Bishop, or he is incapable of acting, shall perform such duties, not peculiar to the Episcopate, as are in the Constitution and Canons assigned to the Bishop. The Standing Committee shall have authority to fill all vacancies that may occur during the recess of the Convention in their own body, and also in such other offices as are held by annual election, except the elected Trustees of the Incorporated Trustees of the Diocese.

In addition to the powers already vested in them, they shall have authority to transact such executive business as may be brought before them during the recess of the Convention.

ARTICLE XI.

The Clergy and Lay Delegates in Convention shall deliberate in one body, and shall vote as such, except when it is required otherwise by five members. In such a case, the Convention shall vote as two distinct Orders, and a majority of the votes of each Order taken separately shall be necessary to give validity to a measure. Twenty Clergymen together with Lay Delegates from twenty Parishes, duly assembled in Convention, shall be a quorum, and on every question the votes of a majority of those present, or (when a vote by Orders is required) the votes of a majority of those present of the two Orders respectively shall decide.

In all elections when a vote by Orders is taken, the persons who shall have a majority of each Order on the same ballot and also the highest number of votes in each Order shall be declared elected.

ARTICLE XII.

SECTION 1. To entitle a Parish to admission into union with the Protestant Episcopal Church in this Diocese, it shall be required that the Vestry submit to the Convention their original Articles of Association or Charter, or a copy thereof, duly authenticated according to law; and it shall appear therein that such Parish accedes to the Constitution and Canons of this Diocese; and it shall appear

further, that the said Articles or Charter have been submitted to the Bishop and the Standing Committee at least thirty days before the meeting of the Convention, and by them respectively approved; or, if the approbation of either the Bishop or the Standing Committee, or both, is withheld, he or they shall report to the Convention, with the Articles or Charter, the reasons of his or their disapprobation.

SECTION 2. To entitle an Organized Mission to admission into union with the Protestant Episcopal Church in this Diocese, it shall be required that the Vestry submit to the Convention their original Articles of Association and application for organization, or a copy thereof, duly authenticated; and it shall appear therein that such Organized Mission accedes to the Constitution and Canons of this Diocese; and it shall appear further, that the said Articles and application have been submitted to the Bishop and the Standing Committee at least thirty days before the meeting of the Convention, and by them respectively approved.

SECTION 3. The Convention shall refer the whole matter and the documents in cases of this kind to a committee of three Clerical and three Lay Members of the same, to be called the Committee on Charters, to be appointed as soon after the organization of the Convention as conveniently may be, who shall make report thereof to the Convention for its final determination.

SECTION 4. Upon the favorable report of the said Committee and the adoption of its report by the Convention, such Parish or Organized Mission shall be admitted into union with the Convention and its Delegates entitled to votes therein.

SECTION 5. No Parish shall be formed within the limits of an existing Parish without the consent first given of the Rector and Vestry of said Parish, unless by decision of the Bishop, acting by and with the consent of the Standing Committee.

SECTION 6. No Parish shall be admitted into union with this Convention until such Parish shall have guaranteed a house for the use of the Rector, free from rent, and an annual salary of not less than One Thousand Dollars.

ARTICLE XIII.

When a Bishop is to be elected, the election shall be at the regular Annual Convention, or at a Special Convention duly called for that purpose. No person shall be declared elected unless he shall have received a majority of the votes cast in each Order voting separately at the same ballot: *Provided*, That two-thirds of all the Clergy entitled to votes be present and two-thirds of all the Parishes entitled to votes be represented; otherwise a vote of two-thirds shall be necessary.

ARTICLE XIV.

The Seal of the Diocese shall be such as the Convention shall adopt.

ARTICLE XV.

This Constitution or any part thereof may be amended in the following manner only: The proposed amendment shall be submitted in writing to the Annual Convention, and, if approved by a majority of each Order, shall lie over to the next Annual Convention, and, if then approved by a majority of each Order, the Constitution shall stand amended as proposed.

CANONS.

CANON I.

OF CLERGYMEN ENTITLED TO SEATS.

At least ten days before the meeting of every Convention of this Diocese, the Bishop shall deliver to the Secretary a list of all the Clergy Canonically and personally resident in the Diocese, and entitled to seats in the Convention, with the names of their respective cures, Parishes, stations or places of residences. This list shall determine the right of any Clergyman to a seat, subject, however, to correction by the Convention in accordance with the Constitution and Canons.

CANON II.

OF LAY DELEGATES.

The Vestry of each Parish, at a meeting duly convened, may elect one Lay Delegate, and one additional Lay Delegate for each one hundred Communicants as reported at the preceding Convention, to represent said Parish in the Convention. The appointment of Lay Delegates to the Convention shall be certified in writing by the Secretary or Clerk of the Vestry of the proper Parish; and the certificate shall state that the Delegate therein named was chosen from the number of those who have been for not less than six months before the election worshipers in the Church or Parish to be represented. The certificates shall be in duplicate, one copy to be forwarded to the Secretary of the Convention; the other given to the Lay Delegate.

CANON III.

CALL OF THE CONVENTION.

Not less than twenty days' notice of the meeting of every Convention shall be given by the Secretary to every Clergyman of this Diocese and to every Parish in union with the Church in this Diocese.

CANON IV.

OF RULES OF ORDER AND PROCEDURE IN THE CONVENTION.

The Rules of Order of the last preceding Annual Convention shall be in force until altered by the Convention, and the procedure of the business in Convention shall be carried on in accordance therewith.

CANON V.

OF REPORTS OF THE STANDING COMMITTEE.

It shall be the duty of the Secretary of the Standing Committee to prepare a report of their proceedings from year to year, and present the same to the Convention at its Annual Meeting.

CANON VI.

THE ENDOWMENT AND DIOCESAN FUNDS.

SECTION 1. The income of the Convention, whether realized from investments or assessments upon the Parishes, Organized Missions and Mission Stations, shall be known as the Diocesan Fund.

SECTION 2. All moneys contributed for the support of the Episcopate shall be held to enure to the credit of the several Parishes, Organized Missions and Mission Stations for or by whom the same were contributed, and shall constitute the Endowment Fund.

SECTION 3. At every Annual Convention, a Finance Committee shall be elected to perform the duties set forth in this Canon. This Committee shall consist of the Secretary of the Convention, the Treasurer of the Convention, the Chancellor of the Diocese, if they be Laymen, and of two Laymen from each Archdeaconry. No member of the Standing Committee shall be eligible for this Committee. The Committee so constituted shall be Trustees of the Endowment Fund.

SECTION 4. The Finance Committee shall apply the Diocesan Fund, *first*, to the payment of the salary of the Bishop, and, *second*, to the payment of the expenses of the Convention (including the mileage of the Clergy attending, the same to an amount not exceeding the railroad fare actually paid), to the necessary expenses of the several Committees appointed by the Convention, and to such other payments as may be authorized by the Convention or by the Standing Committee.

SECTION 5. At least twenty days before every Annual or Special Convention, the Finance Committee shall notify all Parishes and Organized Missions which may have failed to meet their assessments in full, stating the amount still due, and shall add to the notice the Clause of Article V of the Constitution, which debars such Parishes from representation in the Convention.

At the opening of every Annual Convention, the Committee shall present a printed report, stating the condition of the Diocesan and Endowment Funds, a summary of the receipts and expenditures for the past year, a list of the Parishes and Missions which may have failed to pay their assessments, stating the amount still due from each, an estimate of the expenses for the ensuing year, and of the rates of assessment required to make up the same.

SECTION 6. The basis of assessment for the Diocesan Fund shall be the amount given under the headings "Clerical salaries," "organist, choir and music," and "current expenses," in the Parochial Report printed in the JOURNAL of the preceding Convention; or where no Parochial or other Report was given, the assessment shall be made upon the amount as estimated from information derived from other sources.

The Finance Committee shall meet on or before the first day of October in each year, and shall assess the Parishes, Mission Stations, and Organized Missions to an amount sufficient to meet the estimated expenses, allowing each credit for its interest in the Endowment Fund.

SECTION 1. A Minister of this Diocese may be charged with any one or more of the offenses, committed within the Diocese, for which he may be brought to trial under the Canons of this Church, by three or more male Communicants of this Diocese in good standing. Such charges shall be in the nature of an information, signed by all the accusers, and sworn to by at least one of them, and shall be presented to the Bishop.

SECTION 2. Any Minister of this Diocese may, for himself, request of the Bishop the inquiry herein provided for, in which case it shall be instituted and shall proceed according to the provisions of this Canon.

SECTION 3. The Bishop, upon the receipt of such information or request, shall elect a Board of Inquiry of three (3) Presbyters and three (3) Laymen, Communicants of the Church, whose duty it shall be to investigate and determine whether there is sufficient ground to put the said Minister upon his trial.

The Bishop shall appoint a Lay Communicant of this Church, of the profession of the law, to act as Church Advocate and as the legal adviser of the Board.

If in the opinion of the Board of Inquiry, or a majority of them, there is sufficient ground to put the said Minister upon trial, they shall cause the Church Advocate to prepare a presentment, which shall be signed by such of the Board as agree thereto, and shall be transmitted to the Bishop. If they shall not find sufficient ground to put him upon his trial, they shall certify that fact to the Bishop, who shall thereupon dismiss the charges.

SECTION 4. The presentment shall be addressed to the Bishop, and it shall specify with reasonable clearness and certainty the offense or offenses charged, without technical language or formal averments, time and place being stated as of the date of the presentment, and within the Diocese, respectively.

Every presentment shall, upon motion of the Church Advocate, be amendable in like manner and for like variance and defects as indictments are by the laws of Pennsylvania amendable in the Courts of criminal jurisdiction, and for such other variance and defects as in the discretion of the Court can be amended without injustice to the accused.

SECTION 5. The Bishop may dismiss any presentment if in his judgment the accused ought not to be put upon his trial for the offense charged.

SECTION 6. No conviction shall be had for any offense unless committed within five years immediately preceding the bringing of the presentment.

SECTION 7. The Bishop, if he does not dismiss the presentment, shall cause a copy thereof to be served on the accused, a copy to be filed with the Standing Committee, and the original to be delivered to the Church Advocate, who shall conduct the prosecution. Together with each of said papers shall be a notice of a meeting of the Standing Committee, which shall be called to be held not less than fifteen nor more than twenty-one days thereafter.

SECTION 8. Every objection to any presentment for any formal defect apparent on the face thereof, shall be taken at such meeting of the Standing Committee and not afterwards. The Standing Committee may cause the presentment to be forthwith amended in respect to such objection if necessary. The Standing Committee shall thereupon nominate eleven disinterested Presbyters, having seats in the Convention of this Diocese, from whom the parties, if present, shall alternately strike one until five remain. If the accused do not appear, and due proof of notice to him be given, or, if both parties fail to appear, the Standing Committee shall select five of said Presbyters. The Presbyters so elected, upon notification, and acceptance, shall form a Court for the trial of the accused, and shall meet at such time and place as the Bishop shall direct; any three of them being a fully competent quorum for any purpose at any stage of the proceedings.

SECTION 9. Notice of the time and place of the first meeting of the Court shall be served on the accused at least thirty days before such meeting.

SECTION 10. The Presbyters constituting the Court shall be unconnected with the accused by consanguinity or affinity and after organization, before any further proceedings, they shall file with the Clerk a declaration in writing that they have not prejudged the case they are about to try, or formed or expressed any such opinion as to the facts as may influence their decision.

SECTION 11. The Court after its organization by the election of a President, and a Clerk, may appoint one or more members of the legal profession, Communicants of this Church, to be its Assessors, who may be present at all of its proceedings, and shall, if requested, advise the Court, or any member thereof, upon any question connected with the trial, on which an opinion is desired.

SECTION 12. The Church Advocate may have such other Advocates of the profession of the law associated with him as he may desire, and the accused may have a like number of Protectors of the profession of the law, all of whom shall be Communicants of this Church.

SECTION 13. The Court may appoint such officers, and make such rules as may be necessary for the orderly trial of the case, and shall have power to adjourn from time to time, and from place to place within the Diocese.

SECTION 14. The accused shall at the first meeting of the Court plead Not Guilty or demur to the presentment, unless he makes confession. If he stands mute or fails to appear, having had due notice, the Court shall enter the plea of Not Guilty. If the demurrer be decided adversely to the accused, he shall be required to plead forthwith, and if he stand mute the Court shall enter the plea of

Not Guilty. If the accused, having had due notice, fail to appear before the Court, it may nevertheless proceed, or adjourn, as if he were present. And should he not appear at this second meeting, the trial shall proceed, due proof of notice to the accused of the adjournment being made.

SECTION 15. The trial shall be conducted so far as possible in accordance with the practice in Courts of law in this State. The laws of evidence of the State of Pennsylvania shall be of force and authority in all Ecclesiastical Courts in this Diocese. A stenographer may be appointed by the Court, who shall have the powers and duties of official stenographers in the Courts of this Commonwealth. The testimony of all witnesses shall be upon oath or affirmation, which shall be administered by such member or officer of the Court as it may direct.

SECTION 16. Upon application of either party to the Court or the President thereof, verified by affidavit, showing that any material witness cannot be procured upon the trial, the Court or the President thereof may grant a rule to take the testimony of such witness, either by depositions or upon a commission, upon such reasonable notice to the opposite party as it may direct. The evidence so taken shall be subject to all legal objections as if taken orally in the presence of the Court.

SECTION 17. The Court having carefully considered the evidence shall declare in a written judgment, to be signed by the members thereof, or a majority of them, that the accused is not guilty, or that he is guilty, of the charges laid in the presentment, in the order therein set forth; and, if guilty, what punishment should be inflicted; which judgment, together with the evidence, and any written explanations or defence made by the accused, shall, without delay, be delivered to the Bishop, and a copy of the judgment shall be given to the accused.

SECTION 18. Should the accused be convicted, all further proceedings shall conform to the provisions and requirements of Canon 29 of the General Convention. If the accused shall not appeal within thirty days, or if the appeal be determined adversely to the accused, then the Bishop shall pronounce such canonical sentence as shall appear to him proper, not exceeding the sentence recommended by the Court. Before pronouncing sentence the Bishop shall appoint a time and place for passing the same, of which at least ten days' notice shall be given to the accused, and at such time and place sentence shall be publicly pronounced, at least three Presbyters being summoned and attending as witnesses thereto.

SECTION 19. The Court, or a majority of its members may, in the exercise of a sound discretion, and a belief that injustice has been done, grant the accused a new trial, but such new trial shall not be granted unless applied for before the expiration of the time limited by Canon for appeal, and such application must be heard and determined within such time.

CANON XIII.

Their decision, when approved by the Bishop, shall be conclusive, subject only to appeal to the Annual Convention: *Provided, however*, That nothing herein contained shall be construed as relating to the dissolution of the Pastoral relation, but every such proceeding shall conform to the provisions of Canon 37 of the General Convention.

The Secretary called the names of those who did not answer yesterday when three (3) additional Clergymen and eleven (11) additional Lay Delegates, representing three (3) additional Parishes and one (1) additional Organized Mission, were present. Whole number of Clergymen present, fifty-three (53), in ad-

dition to which there were present five (5) not entitled to vote; whole number of Lay Delegates present eighty-four (84) representing twenty-nine (29) Parishes and five (5) Organized Missions.

The minutes of yesterday's session were read and approved.

The Secretary read the following telegram:—

"Cleveland, Ohio, May 8, '16

Sec'y. Diocese of Harrisburg,

Trinity Cathedral, Williamsport, Pa.

—which was adopted, making the total number of clergymen present and entitled to vote fifty-five.

The President appointed as tellers for the Clerical vote the Rev. Messrs. Robert R. Morgan, Lewis H. Huber and Robert B. Galt; for the Lay vote Messrs. Percy S. Fellows, William B. Vance and Frederick W. Watts.

During the balloting the following business was transacted.

Mr. A. P. Perley presented the

REPORT OF FINANCE COMMITTEE.

The deficit has decreased to $274.23, a reduction of $231.35. The committee deem it unwise at this time to take any steps toward wiping out the deficit.

A request was received from the General Board of Religious Education showing an apportionment of $238.00 to this Diocese for the purposes of that Board. For the reasons stated in the last report, the Committee are of the opinion that an appropriation of $100.00 is the best the Diocese can do for this year.

The Committee further recommend an appropriation of $50.00 each to the Provincial and Diocesan Boards of Education. The Committee regrets it cannot recommend larger appropriations to this cause.

Two years ago we recommended that the offering on Trinity Sunday in all the Churches in the Diocese be applied for the increase of the Endowment Fund; that where duplex envelopes are in use that the loose collection and any special offerings made for that purpose be so applied. We strongly renew this request, hoping our own parishes will be leaders in the matter.

The Central Iron and Steel Co. is gradually paying off the defaulted interest.

The Cumberland Valley Telephone reorganization has not been perfected, but the Committee is advised it will soon be done.

The Committe recommend that Christ Church, Coudersport, be exonerated from the payment of the penalty upon their assessment for the current year.

The Committee recommend that in computing the assessment due from the Parishes and Stations, the Secretary should disregard fractions of a dollar less than fifty cents and should make the assessment where the fractions are fifty cents or more the next even dollar, and that the minimum assessment be fixed at $3.00 upon all Parishes and Stations expending less than $60.00.

The Committee had before it the request of the Joint Commission on Social Service for an appropriation of $114.64, and regrets that it cannot recommend this appropriation to the Con-

vention as, in its judgment, the state of the Diocesan finances will not permit of the assumption of further burdens this year. The Committee trusts that next year provision can be made.

The Committee recommend that Trinity Church, Shamokin, be allowed a credit of $29.40 to correct an error in the assessment of 1914-1915.

The Committee with pleasure calls attention to the fact that every dollar due the Diocesan Fund has been paid.

The Committee recommend that the moneys now on hand in the Bishop Darlington Memorial Fund be not invested until January 1st, 1917, hoping that by that time there will be a larger amount to invest.

The Committe makes the following estimate of expenses for 1916-1917:

Bishop's Salary,	$4,500 00
Allowance for Traveling Expenses,	500 00
Allowance for Stenographer,	500 00
Taxes and Mortgage Interest on Bishop's House,	1,150 00
Mileage of Clergy to 1916 Convention,	225 00
Diocesan Printing,	500 00
Salary of Assistant Secretary,	50 00
Clerical and Other Expenses of Secretary's Office,	60 00
Assessment for Expenses Province of Washington,	75 00
Expenses to General Convention of 1916,	600 00
Estimated Rebate for Prompt Payment,	125 00
General Board of Religious Education,	100 00
Provincial and Diocesan Boards of Education,	100 00
	$8,485 00

The Committee has fixed the basis of assessment as follows:

First Group, Parishes expending less than $1,000, 5 per cent.

Second Group, Parishes expending from $1,000 to $1,500, 7 per cent.

Third Group, Parishes expending from $1,500 to $2,000, 9 per cent.

Fourth Group, Parishes expending from $2,000 to $2,500, 10 per cent.

Fifth Group, Parishes expending over $2,500, 12 per cent.

It is estimated that on the basis of last year's receipts this will yield about $8,200.00.

The Committee audited all the accounts of the Treasurer and verified his securities and found them to be as stated in the report.

The Committee submits the following resolution:

Resolved, That the recommendations of the Finance Committee be approved and they be authorized to carry the same into effect.

Respectfully submitted,

ALLEN P. PERLEY, *Chairman.*

—which was adopted.

(For list of arrearages to Diocesan Missions, see Appendix J.)

The Rev. Mr. Sawyer having taken the chair, the Bishop of the Diocese addressed the Convention on the subject of the Church Pension Fund, offering one thousand dollars to start the subscriptions, if the Diocese could raise at least twenty-five thousand dollars more.

The Bishop having resumed the chair

The Rev. Mr. Bullitt offered the following:

REPORT OF THE COMMITTEE ON CANONS.

First. The Committee recommend the adoption of the proposed amendment to Canon VI (Finance Committee) as follows:

Resolved, **That Section 3 of Canon VI be amended by striking out the words "two Laymen from each Archdeaconry" and inserting in lieu thereof the words "four Laymen."**

—which was unanimously adopted.

Second. The Committee recommend the adoption of the proposed new Canon VII on the Church Pension Fund as follows:

"CANON VII—The Church Pension Fund.

SECTION 1. The Ecclesiastical Authority of the Diocese shall appoint, annually, a Committee to be entitled, The Committee on the Church Pension Fund; and to consist of three Clergymen and three Laymen. The duties of this Committee shall be as follows:

1. To furnish annually to the Church Pension Fund the canonical roll of the clergy of this Diocese, and of the clergy canonically resident in other dioceses or missionary districts who may be licensed to officiate in this Diocese, with a statement of the stipends received by each of said clergymen from any parish, mission, or other ecclesiastical organization in this Diocese.
2. To receive from the Church Pension Fund annually a statement of the premiums necessary to be paid by each parish, mission, or other ecclesiastical organization in the Diocese, in order that the clergymen in receipt of stipends from such parishes, missions, and other ecclesiastical organizations may be entitled respectively to pensions.
3. To inform the duly constituted authorities of each parish, mission, and other ecclesiastical organization in the Diocese of the premiums payable by it, and of the time and manner of payment thereof.
4. To elect a Treasurer, who may or may not be a member of the said Committee, who shall be required to give a bond satisfactory to the Committee, and whose duty it shall be to receive monthly, from all of the parishes, missions, and other ecclesiastical organizations in this Diocese, the aforesaid premiums and to transmit the same to the Treasurer of the Church Pension Fund.
5. To inform the Church Pension Fund from time to time of the clergy and the widows and minor orphans of clergy, canonically connected with this Diocese, who may be entitled to receive pensions from the Church Pension Fund.
6. In general, to inform the clergy and laity of the Diocese of the pension system created by the General Convention and committed by it to the operation of the Church Pension Fund, whereby the clergy of the Church are assured of pensions, as of right, to themselves in the event of old age, or disability, and to their widows and minor orphans in the event of death, and to do all things that may be necessary or advisable in the premises to the end that the moneys necessary to be paid by the parishes, missions, and other ecclesiastical organizations may be fully and systematically paid.
7. To make a detailed report annually to the Convention.

SECTION 2. It shall be the duty of every clergyman receiving a stipend or stipends, and the duty of every parish, mission, or other ecclesiastical organization in the Diocese paying a stipend or stipends, to furnish a statement of such stipend or stipends to the Committee

on the Church Pension Fund whenever said Committee shall, in writing, ask for such statement.

SECTION 3. This canon shall go into effect when the Secretary of the Diocese shall receive notification from the Church Pension Fund that a reserve fund of $5,000,000.00 for the purposes of the Church Pension Fund has been established, and that dioceses, missionary districts, and General Boards or other General Institutions of the Church have, by legislation, provided for entering into the pension system of the Church Pension Fund in number sufficient, in the opinion of the said Church Pension Fund, to enable its system to go into operation: *Provided*, That the number of clergy canonically connected with said co-operating dioceses or missionary districts, or whose stipends are wholly paid by said co-operating Boards or General Institutions of the Church, shall be not less than two thousand individuals."

—which was adopted.

Third. The Committee recommend the adoption of the proposed amendment to Canon VI as follows:

"SECTION 5. It shall be the duty of the Finance Committee to provide for the annual payment to the Committee on the Church Pension Fund of all the premiums payable on behalf of the Bishop of the Diocese, and also on behalf of the Coadjutor-Bishops and the Bishops-Suffragan, if there be such, and to pay said annual premiums to the Committee on the Church Pension Fund."

—which was adopted.

Fourth. The Committee recommend the adoption of the proposed amendment to Canon VIII as follows:

"SECTION 7. It shall be the duty of the Board of Missions of the Diocese to make all necessary arrangements to provide for the annual payment, and to pay annually to the Committee on the Church Pension Fund the premiums on account of all stipends received by clergymen from said Board."

—which was adopted.

The Rev. Mr. McMillan presented the

REPORT OF THE COMMITTEE ON CHARTERS.

The Committee on Charters, to whom was referred the charter of St. John's Church, South Williamsport, respectfully report that the charter is in proper language and due form, and that it has received the previous approval of the Bishop and Standing Committee, and has complied with the requirements of the Constitution and Canons of the Diocese. They therefore present the following resolution:

Resolved, That St. John's, South Williamsport, be admitted into union with this Diocese and the Convention as an Incorporated Parish, and its Delegates to votes accordingly.

—which was adopted.

The Rev. Mr. Hoyt presented the

REPORT OF THE BOARD OF RELIGIOUS EDUCATION TO THE CONVENTION OF THE DIOCESE OF HARRISBURG, 1916.

Following the appointment of its President by the Bishop in Convention, the Harrisburg Board of Religious Education organized as follows:

REV. JAMES F. BULLITT, *Secretary.*
MR. GEORGE F. STIBGEN, *Treasurer.*

Three members of the Board were present during the meeting of the Provincial Board in connection with the Synod of Washington, at Richmond, Virginia; and two of its members represented the Diocese of Harrisburg in the meeting of the Provincial Sunday School Commission on the same occasion. Two members of the Diocesan Board also attended the meetings of the Provincial Board and Commission at Baltimore. Two members of this Board have attended all the meetings of the Joint Diocesan Lesson Board and participated in its work of preparing Lesson Schedules in conformity with the Standard Curriculum of the General Board of Religious Education; and one member of the Board has attended additional meetings of the Executive Committee,—all in Philadelphia.

Conferences on Religious Education, conducted by members of this Board, have been held in Altoona and Harrisburg. Representatives of 8 Sunday Schools were in attendance at Harrisburg, 10 vital questions on the subject of Religious Education were discussed, and a united Sunday School service was arranged for. This Conference was much aided by the presence and counsels of the Rev. Dr. S. U. Mitman, Field Secretary of the Provincial Board.

A Teacher Training Class has been arranged for in the City of Harrisburg.

By invitation the Rev. Dr. Mitman made a most stimulating address and gave helpful counsel to the Sunday School workers of St. John's, Lancaster; following which the school was reorganized on the basis of the Standard Curriculum, a member of this Board assisting.

St. Mark's, Lewistown, and Trinity, Chambersburg, have been visited by a member of the Board, and the former assisted in regrading the Sunday School.

The following communication from the General Board is brought to the attention of this Convention:

To the Members of the Annual Convention of the Diocese of Harrisburg:

In accordance with the authority given by Canon 57, Section V, the General Board of Religious Education appeals to the Convention of the Diocese of Harrisburg to assume a stated portion of the funds needed for efficiently carrying on the work of the Board.

Of a total apportionment of $30,000 for the administration of the work of Education of the General Church, the Diocese of Harrisburg is asked for $238, the payment of the same to be made during the year beginning May 1916.

We cannot make this request without expessing our gratitude for the co-operation that Harrisburg has already given us and we respectfully call the attention of the Convention to the leaflet entitled 'The Church of Tomorrow,' copies of which have been distributed at this session.

Signed, DANIEL S. TUTTLE, *President.*
WILLIAM E. GARDNER, *Gen. Sec'y for the Board.*"

The Diocesan Board would be glad, of course, if it were possible for the Diocese of Harrisburg to devote to that object the amount requested by the General Board for its support; but recognizing the probability that this could be done only by denying any appropriation to either the Provincial or the Diocesan Board, the following recommendation is offered for action by the Convention:

"That for the purposes of Religious Education, $100 be appropriated to the General Board, $100 to the Provincial Board, and $50 to the Diocesan Board."

Last year this Convention appropriated $100 to the General Board, $50 to the Diocesan Board, and $50 additional for the Diocesan Board to devote to the Provincial Board in conjunction with voluntary subscriptions secured to increase this amount. In accordance with this last stated arrangement, $70 in $5 pledges were obtained from 14 Parishes, of which $45 have been collected making a total of $95 devoted to the work of the Provincial Board by the Diocese of Harrisburg up to the date of this Convention. It is hoped that the balance of $25 can be collected before the close of the year, June 1st.

While we are holding aloof from "Evangelistic Campaigns" or feebly attempting to substitute similar methods of our own, it would profit us to consider seriously our neglected talent for Religious Education. No portion of the Christian Church has

better resources than we have for this process of expansion. And it would contribute measurably to the development of the Church in this Diocese if its Parishes,—clergy, teachers, and congregations, could be awakened to a due appreciation of the programme of Religious Education in the Church work of the day. With Missions and Social Service, it is now one of the three general departments of work authorized and organized by the General Convention. These three standing departments, also, have been carried on into the organization of the Province; and the Province of Washington, today, enjoys the distinction, conceded on all hands, of possessing the most live, efficient, and productive Board of Religious Education in the American Church. It deserves not only confidence and support, but also the closest interest and co-operation. Among other religious bodies in the State of Pennsylvania, the interdenominational Sunday School Association is an exceedingly active and well organized institution, which reaches and affects the great majority of Sunday Schools within its fellowship, gathers them in splendid County conventions, threshes out with them innumerable questions, and provides for practically every conceivable phase of Sunday School work. It is a force which counts. It builds up the local schools because they respond to its suggestions and standards, and co-operate heartily with its methods.

Our Provincial Board is, of course, an administrative body, differently constituted and with different scope from that of a Sunday School Association; but it presents a programme,—purposes, principles, methods, and standards,—which deserves the attention and response of all our clergy and workers. More than this, if the majority of the Sunday Schools in this Diocese could be brought into enthusiastic co-operation with this programme, it would not only directly increase the efficiency of each individual school, but the general "setting-up" and heartening up of the Sunday School work of the Diocese would indirectly react upon all the schools to improve their purposes, principles, methods and standards.

Among many items of the Provincial Board's programme, the following are set forth as being of elementary importance:

1. It should be possible, somehow, for the Sunday Schools of different Parishes in adjacent territory to get together for periodic Conferences on the various phases of Religious Education. Every school ought to participate in at least one such Conference (more if possible) every year. The effect is to awaken a useful institutional consciousness, to enlarge the ideas of what can be done, to increase the ability to employ the resources at hand, to elevate the aims and standards of what is attempted, and to stir a healthy pride in the efficiency of each school. The presence and suggestions of the Rev. Dr. Mitman on these occasions, when his engagements permit, would also be helpful. If such Conferences,—as sad experience seems to

indicate,—at first and at present, cannot be arranged in small groups of closely contiguous Parishes, they ought to be given a very emphatic place on every Archdeaconry meeting, at least until the time comes when independent gatherings of Sunday School workers can be successfully carried out. The Archdeaconry meetings offer an established and fairly well attended gathering of the clergy, to which, for the purposes of a Conference on Religious Education, Sunday School workers could be invited and should be drawn from every Parish which seriously and earnestly undertakes to co-operate with the Board's programme. A Sunday School Association, similar to the interdenominational County Association, might well be formed in each Archdeaconry, and one of the Conferences each year be made the occasion of a spirited "Rally" of the Sunday School forces in its territory. By some such methods we must begin to unite, and standardize, and enthuse our schools in their work.

2. The Standard Curriculum of the General Board ought to be in the hands of every Rector and Sunday School superintendent, and freely circulated among the workers. It should be studied to ascertain how its programme can best be adapted to and adopted in that school; and so far as possible its recommendations should be followed up and carried out. It is an exceedingly flexible scheme and capable of adjustment to any school. Once its standards are generally adopted throughout the Diocese and its progressive grading applied, to the extent of each school's resources, it will mark the beginning, at least, of a concerted movement toward something definite. The Curriculum itself sets forth a more comprehensive scheme than just a series of Sunday School lessons. To meet the demand, however, for such pedagogic material, the Joint Diocesan Lesson Board puts forth each year schedules of lessons based on the Standard Curriculum, and its grading; and there is no better lesson material for the average teacher than that published in the American Church Sunday School Magazine which follows the schedules of the Lesson Board.

3. A Teacher Training class ought to be established in every Sunday School, large or small, and with the idea not only of improving the capacity of those already teaching, but also of developing and preparing teachers for the future as need arises. And it is really an exceedingly interesting enterprise, both for the leader,—who may himself or herself learn much from it,— as well as for the students of the course. A Standard Teacher Training Course is issued by the General Board, and a Correspondence Course with diploma for those who desire it. Excellent text books, adapted to all kinds of conditions, are available. An inquiry addressed to Rev. Dr. Mitman at South Bethlehem will bring information to anyone who wishes to know details or who has special problems to solve. When we reach the development in our Diocese, which has been reached by the interdenominational County Sunday School Associations, where the number of trained teachers holding diplomas in a Sunday School is counted as one of the points in ranking the school, we shall have made great advance.

4. Among the resources for developing teachers, as well as for getting into touch with the whole programme of Religious Education and bringing its spirit and power back into the Parish, is that of sending as many students to the Summer Schools as possible. In this Province, the nearest (and best) schools of this kind are held, one at South Bethlehem and the other at Mount St. Alban in the city of Washington. The charges are extremely small,—less than good table board for an equal period,—the surroundings are beauti-

ful and restful, and everyone returns with warm appreciation of the good obtained. Travel expenses could well be borne by the Parish for the sake of the benefits to its work.

5. Especial attention should be given to the observance of "Education Week," following the Sunday of Intercession for Sunday Schools in October. This observance was very helpful to many schools last fall. The Provincial Board has a particularly interesting and suggestive programme for this coming October, copies of which will be mailed to the clergy in due season. This week and its impressions should be stressed by every Parish to its utmost ability.

6. For the purpose of securing information as to the Sunday School conditions in the Province, the Provincial Board sends out a set of questions to be answered by the Diocesan Board, which, in turn, seeks the items of this information from the individual Parishes of the Diocese. The replies desired are not at all elaborate or difficult to make, but the compilation, analysis, and tabulation of them by the Diocesan Board is necessary in order to pass on its report to the Provincial Board. Of 92 schools to which this Board sent out request for information last year, returns were received from only 34. It is, of course, quite apparent that no satisfactory report of Sunday School conditions in this Diocese can be made upon the basis of less than 38 per cent. of the facts. One of the ways, therefore, in which the programme of the Provincial Board can be promoted is by returning prompt and full answers to the very moderate requests for data from which its annual survey is made.

7. One of the too often overlooked details of Religious Education is the need of sustaining the Church contacts of the youth of our Parishes during the period of their absence from home for courses of training at schools, college or other institutions. The Provincial Board, through one of the clergy of our own Diocese is giving special and effective attention to Churchmen who are registered in such institutions away from home. The clergy are invited to send the names and places of enrollment of all such to the Rev. Dr. F. Gardiner, the Collegiate Field Secretary, at the Church House, Philadelphia, who will see that all possible is done to keep these absent ones in touch with the life of the Church.

The foregoing represent but a few of what are the most elementary particulars in which co-operation can be given to the programme of the Board of Religious Education; but if just these were realized in any substantial degree it would be a great step forward for this Diocese. The members of the Diocesan Board, to the extent of their time and ability will render any assistance desired to the furtherance of this end; and the Board will be glad to learn of any attempts or attainments in the way of the development of Religious Education in the Diocese which may be reported for its encouragement.

The Committee recommend the adoption of the following resolutions:

Resolved, That this Convention urgently asks every minister engaged in pastoral work to endeavor to make provision for the systematic training of his Sunday School teachers.

Resolved. That this Convention calls upon every Clergyman and Sunday School superintendent to attend and spare no effort to secure a large representation of his Sunday School workers at one or other of the Provincial Summer Schools.

Resolved, That this Convention deplores the lamentable decrease in the number of candidates for Holy Orders as compared to communicants and calls on the clergy frequently—strongly to present to the boys and young men of the Church the opportunities of the ministry as a vocation.

Resolved, That this Convention earnestly urges every Rector in the Diocese to prepare carefully beforehand in order to make the most effective use of "Education Week" in arousing the members of his parish to a realization of the importance of *Religious Education* in all its aspects.

Resolved, That this Convention of the Diocese of Harrisburg petitions the General Convention to so amend Canon 54 that the Synod of any Province may meet annually.

—all of which were unanimously adopted.

The Rev. Mr. Hoyt presented the Report of the Treasurer of the Diocesan Board of Religious Education. (Appendix K.)

The hour of 12.30 having arrived, the Convention took a recess until 2 P. M.

A telegram was read to the Convention from Bishop Lawrence in relation to the Church Pension Fund, and the Secretary was thereupon instructed to send him a telegram announcing the action of the Diocese, which was done.

The Rev. Mr. Bedell presented the

REPORT OF SOCIAL SERVICE COMMISSION.

In presenting the report of this Commission we have first to call attention to the changes that have taken place in the membership of the Commission. Early in 1916 the chairman, Rev. C. G. Twombly, D. D., found himself unable to continue as chairman, and on presentation of his resignation, the Bishop appointed Rev. F. M. C. Bedell, to succeed him. A little later Rev. Rollin A. Sawyer, also presented his resignation, and the Rev. F. A. Cook, was appointed in his place. Owing to these changes this report covers only the last few months of the Convention Year.

After considerable preliminary correspondence, a meeting of the Commission was held in Harrisburg, on Wednesday, May 3rd, at which plans were discussed covering work for the coming year.

It was felt by the members present that the most effective work in Social Service in this Diocese can be done along lines that will hold good in all parts of the Diocese and in matters

within the scope of the average Parish. Great national questions such as those of capital and labor, employment and non-employment, are so vast that little of value in regard to them is possible without highly-paid expert advice and unlimited funds. Your Committee therefore in this report confined themselves to a smaller but very important matter.

In many of the smaller towns and villages of the Diocese, there exist no centers of cummunity life except saloons and pool-rooms. Your Commission believe that this is a matter directly concerning the Church, and that it is the function of the Church, in addition to worshiping God and teaching religion, to provide as far as possible opportunity for healthy social intercourse and recreation.

Your Commission therefore propose the following line of action:

First. To collect information in regard to social life and recreation, especially in the smaller communities of the Diocese.

Second. To collect information as to what is being done along lines of betterment in this matter in communities where such work is being carried on.

Third. To co-operate with the Rectors, missionaries, and church people of the Diocese, in arousing interest and making known the need and value of social community centers where such do not at present exist.

Your Commission realize that the work thus suggested is one that belongs properly in every place to the Clergy and church members in that place and that the function of the Commission is simply to collect information, to lay plans approved elsewhere by their results before the Clergy and people, and to co-operate in every way in whatever work is undertaken in any place for social betterment.

Your Commission ask for an allowance of Twenty-five ($25.00) Dollars to cover postage and printing expenses and submit the following resolution:

***Resolved*, That the Finance Committee be asked to approve this request.**

This request was met by an individual without action by the Finance Committee.

The Rev. Mr. Appleton offered the following:

Resolved, That this Convention put on record its sense of loss in the death of Mr. John Peter Braselmann, than whom there have been few who have given more willingly of their love, loyalty and energy to the work of God in this Diocese.

—which was adopted.

The Rev. Mr. Pulsifer offered the following:

Resolved, That a Committee of three be appointed to consult with the General Board of Missions with relation to the Diocesan apportionment for General Missions.

—which was adopted.

The President appointed the Rev. Messrs. H. B. Pulsifer, J. F. Bullitt and R. F. Gibson as such committee.

Mr. G. N. Reynolds offered the following:

Resolved, That the Convention extend its sincere thanks to the Rector, Wardens, Vestrymen and ladies of Trinity Parish for their very generous hospitality.

—which was adopted.

The Rev. Mr. Speakman, by leave of the Convention, addressed it on the subject of the work at the Mt. Alto mission. Whereupon the following subscriptions were made towards the rectory fund:

Bishop Darlington,	$10 00
Trinity Church, Williamsport,	20 00
Christ Church, Williamsport,	20 00
St. James' Church, Muncy,	10 00
St. Paul's Church, Lock Haven,	10 00
Woman's Auxiliary, by Mrs. Bullitt,	50 00
Mr. Allen P. Perley,	the balance.

The President announced the appointment of the following Committee on the Church Pension Fund as created by the new Canon VII:

The Rev. Messrs. W. C. Pugh, J. F. Bullitt and F. O. Musser, and Messrs. C. LaRue Munson, J. C. Schmidt and R. M. H. Wharton.

The Committee on the Church Pension Fund appointed at the last Convention presented the following report:

The Committee on the Church Pension Fund, continued "for the purpose of urging Parishes and Organized Missions to join in this laudable movement," would report that it has so urged, and that in response to overtures to all Parishes and Missions not named in last year's report, assurances of approval and of willingness to enter the Fund have been received from the following: St. Luke's, Mt. Joy; St. John's, Marietta; St. James', Bedford; St. Stephen's Memorial, Mt. Carmel; Nativity, Newport; St. Andrew's, Harrisburg; St. Paul's, Bloomsburg; All Saints', Williamsport; St. Paul's, Manheim; Hope, Mt. Hope; Christ, Arnot; St. Luke's, Blossburg; Trinity, Antrim.

Respectfully submitted,

COMMITTEE ON THE CHURCH PENSION FUND.

—which was ordered printed in the Journal.

The Special Committee appointed at the last Convention to transmit information to the Province of Washington presented its report. (Appendix L.)

APPENDIX A.

THE BISHOP'S CONVENTION ADDRESS, 1916.

In the Name of the Father, and of the Son, and of the Holy Ghost, Amen.

The Epistle of Paul the Apostle to the Galatians. 1st Chapter, verses 3-5.

"Grace be to you and peace from God the Father, and from our Lord Jesus Christ,

Who gave Himself for our sins, that He might deliver us from this present evil world, according to the will of God and of our Father; to whom be glory for ever and ever. Amen."

Last year at our Convention in St. Stephen's Church, Harrisburg, we celebrated together the Tenth Anniversary of the formation of the Diocese of Harrisburg, and the first words of my address were to call attention to the harmony and growth of the Diocese under the blessing of the Holy Spirit for the Decennium.

This year we are also fortunate in being the guests of this noble and generous Parish, the Church of the Trinity, Williamsport, on the occasion of the fiftieth year of its existence.

It is well for many reasons that the passage of time should be noticed both for instruction from the past and for inspiration and guidance for the future.

The record of Trinity is not hidden and every one who has been long in this Diocese, knows of its generous leadership in all good works.

To its honored and self-sacrificing Rector, Rev. Robert Fisher Gibson, to his helpful wife and to all the members of the Vestry, Sunday Schools and various societies, I wish hereby, publicly to extend my appreciation and that of the Diocese, for their present hospitality and for their loyalty and never-failing support, ever since the Diocese has been formed.

We also, as a Convention, should pause a moment now to memorialize our fellow workers, who have passed on to Paradise this year; those who have companied with us, but whose faces we will not see again until we too have passed on from the Church Militant to the great host beyond.

First, let me mention the deceased Bishops of the Church, and afterwards the Clergy and Laity of the Diocese.

The Rt. Rev. William Edward Toll, First Suffragan Bishop of Chicago, died suddenly June 27, 1915. As he was consecrated on December 27, 1911, his time as Bishop was only about three and one-half years. He was born in England, and held most of his pastorates in Illinois and Ohio. He was Archdeacon of Chicago and a Clergyman of marked saintliness and human sympathy. Full of enthusiam, zeal and kindliness, he was beloved by his Bishop, and all the clergy and laity.

The Rt. Rev. Robert Codman, Bishop of Maine, who died October 7, 1915, was my personal friend. I conversed with him at Bar Harbor, Maine, only six weeks before his death. He was then in perfect health, had just come in from a yachting trip and expected to be married to a lady from this State the next week.

Bishop Codman was born in 1869, and after graduating at Harvard practiced law for some years. After entering the ministry and holding a number of pastorates, he was elected Bishop of Maine, in 1899 and erected a most beautiful Chapel in memory of his deceased father, out of his own abundant means.

He was well-known and loved over the whole great State of Maine, which made up his Diocese.

The Rt. Rev. George Biller. Junior Bishop of South Dakota, was born in London in 1874, consecrated Bishop, September 18, 1912 and died at the Rosebud Indian Agency, October 22, 1915, having been a Bishop three years.

I was one of the Committee of the House of Bishops to receive nominations of new Bishops and several times when Bishop Biller's name was mentioned, we recommended to the House of Bishops, that Rev. Mr. Biller be not elected because we feared that he would not be able, physically to meet the arduous duties of the Episcopate. Finally the demands grew so strong that we had to give way to his election, and the constant travelling and the pressure of what the New Testament calls "the care of all the Churches" sapped away his young life, and brought his death. His widow is now going from parish to parish in the Church, collecting money to carry out the wise plans he started, but was not able to complete.

The Rev. John Aaron Miller, M. A., B. D., minister in charge of St. Andrew's, Shippensburg, died on November 30th in his seventy-fourth year. He was formerly in charge of the Melcombe Regis School, in England, and Head Master of the Waymouth Collegiate School. In this Diocese he was Rector of Christ Church, Coudersport, for several years. He was a consecrated, scholarly and energetic clergyman and kept all the usual services of his charge, until stricken with his last illness. A Memorial Tablet has been placed in the Chancel of St. Andrew's, Shippensburg, his last charge.

The Rev. Walter Clayton Clapp, Rector of Christ Church, Danville, died on September 18th, aged fifty-four years. Nearly his whole life was spent in educational work. He was Professor of Greek in Nashotah House, Wisconsin. After several important Rectorships in this country, he went to the Philippine Islands, where for ten years he labored among the Bontoc Igorots, a heathen tribe, numbering over seventy-five thousand souls, on the Island of Luzon. He made the first dictionary in their language and translated the book of Common Prayer and the Gospel of St. Luke into the tongue of these "head hunters." He was a man of great humility, prayer and patience and his influence will remain for many years with the people he shepherded.

The Rev. Lewis DeCormis, LL.D., whose death was recently noticed in the Church Press, was Rector of St. Paul's, Columbia, from November 1, 1895 to October 1, 1901. He remained a member of this diocese for over ten years after leaving it, and as he was engaged mostly in study, and Church supply work, I think always regarded St. Paul's as his Church home. Perhaps, if invited, his family and friends, might wish to place a memorial of him there.

Mr. Ivanhoe Stees Huber, Warden of Trinity Church, Shamokin, and Superintendent of the Sunday School, member of the National Council of the Brotherhood of St. Andrew and also of the Standing Committee of the Diocese, passed to his rest suddenly, January 10th. He will be missed in all our Diocesan activities.

Mr. John P. Braselmann, one of the founders of St. Andrew's Church, Harrisburg, died on March 16th, he was one of the most willing layreaders and he and Mr. Huber, both jestingly claimed that they were the oldest layreaders in the Diocese. He was active in God's service to the very last.

Others who should be mentioned on the honor roll of the Church are:

J. Aaron Snyder, many years a Vestryman of Christ Church Leacock.

Admiral James O. S. Forsythe, for many years a Vestryman of Trinity Church, Shamokin.

Frederick W. Watts, Vestryman of Trinity Church, Chambersburg.

Samuel M. Sexton, Editor of the United Mine Workers' Journal, and member of St. Luke's, Blossburg.

Mrs. Mary Jane Boon Plummer, St. Luke's, Blossburg.

Mrs. Anna Taylor, oldest communicant, St. Luke's, Blossburg.

Mr. John D. Daniels, also of St. Luke's, Blossburg.

William C. Davies, Senior Warden, St. Mark's, Lewistown.

Mrs. Mary C. Detwiler, St. Paul's, Columbia.

Mrs. Louis Keller, St. John's, Carlisle.

Dr. Sabil P. Miller, physician for the Penna. Railroad and father of the Secretary of the Church League of the Baptized, of St. John's, Huntingdon.

Mr. George S. Comstock, Senior Warden of St. Luke's, Mechanicsburg.

Mr. John Grimes, Bible Class teacher, St. Chrysostom's, New Market.

Mr. Donald Kerper Skinner, Trinity, Chambersburg.

Mrs. Cornelia Dunham Cree, Trinity, Chambersburg.

Miss Jean Ard Kerr, Nativity, Newport, aged 85 years, teacher in the public schools for 55 years, buried from St. Mark's, Lewistown.

Captain Joseph Cottrell Righter, Jr., born July 25, 1874, at Columbia and died Dec. 12, 1915, at Columbus Barracks.

Henry W. White, Christ Church, Williamsport.

Mrs. William Fraser, Trinity Church, Williamsport.

Mrs. Evelyn Moore, Trinity Church, Williamsport.

Mrs. S. T. McCormick, Trinity Church, Williamsport.

Mr. Christian Hage, Harrisburg.

Mrs. Elizabeth Wert, St. John's, Lancaster.

Mrs. Sarah Dunsmore, St. Luke's Blossburg.

Mrs. Martha Drainsfield, Trinity, Antrim.

Mr. Thomas Crooks, Trinity, Antrim.

Let us now rise and with reverently bowed heads ask God to give us grace to follow the good example of these Saints of God, even as they followed Christ.

> Let us give thanks unto our Lord God;
> It is meet and right so to do.

Most merciful Father, who hast been pleased to take unto Thyself the souls of these Thy servants; Grant to us who are still in our pilgrimage, and who walk as yet by faith, that having served Thee

with constancy on earth, we may join hereafter with Thy blessed saints in glory everlasting; through Jesus Christ our Lord. Amen.

Perhaps the most prominent subject of discussion, in the church and secular press, in the line of church activity, for the past winter, has been the Church Pension Fund, which under the wise and zealous leadership of Bishop Lawrence and his Committee, has over two million dollars of the five million dollars it is desired to raise, already promised. It is not to be expected that our Diocese. so newly formed, and largely missionary in its character, can do very much for this great and laudable object, but it is also not to be expected that we sit quietly by, refusing to give any aid, and yet expecting at a later date to receive the benefit of the Fund when completed.

We had a meeting of a number interested in the Pension Fund this afternoon and I wish that tomorrow, if there is time, we might take up the subject again, of furthering this great work.

I received many telegrams and letters and had a personal interview with the Committee in their rooms, 14 Wall Street, New York City, and they are waiting to hear the result of our consultation, so as to know just what assistance they may expect from us. The aged and infirm clergy need our help. The five million dollar fund will aid them, if it is raised. We are not expected to raise a large sum, but though our subscription be small we must do our best and send it in, or else should not expect any aid for our Clergy, from the Fund which the other dioceses have raised.

As the General Convention meets in St. Louis in October, it is necessary that pledges to the Clergy Pension Fund must be made now, so that we may not be reported deficient this fall.

There are ten Dioceses in the Province of Washington. Generally only about half of them have raised the full apportionment assigned to them by the General Board of Missions. A great and persistent effort was made last year, and every diocese but Erie and our own raised the sum assigned. This year Erie is making an effort to raise the full amount, and I think will probably do it. It is therefore before us in this Convention tomorrow to devise some means by which we can raise the balance of several thousand dollars.

It can be done if we will, but it means the drumming up and persuading delinquent parishes and their Rectors, to pay their apportionment and those who have done so, to raise a little more than is asked. The apportionment, remember, is but the minimum and it is hoped that more of our Parishes will go beyond it. The strong must bear the burdens of the weak and I feel sure, that a little more effort will obtain our desires.

I know we do not want our beloved diocese to be the only one in the Province to fall behind. The Woman's Auxiliary of the Diocese is joining with the men, the churches and Sunday Schools in trying to raise the complete amount and the Board of Missions has yielded ten minutes of their time tomorrow to Mrs. Bullitt, President of the Woman's Auxiliary, to make a report as to what the women of the Diocese are doing and intend to do, to help reach our goal.

Sunday last was the one hundredth anniversary of the American Bible Society, which has published and distributed hundreds of thousands of Bibles and New Testaments in scores of languages, all over this continent and the world. We owe the Society a debt of gratitude for the copies they have given to our Missionaries and they owe us a debt of gratitude because we loaned to them our learned Bishop Schereschewsky, of Shanghai, who translated the

whole Bible into Mandarin Chinese. If any of our Parishes did not celebrate this anniversary last Sunday, it might be well to do so the first Sunday it is convenient.

It would be well also if this Convention could and would take steps to provide the one hundred and fifty or two hundred dollars which is asked for by the newly formed Boards of Social Service and of Religious Education.

The Provincial Board of Religious Education asked me to draw attention to the Mid-summer Country Life Conference at Maryland Agricultural College, College Park, Maryland. At a very small or nominal expense the Clergy and Laity of our rural regions are invited to attend and share the instruction there given by competent speakers, both for inspiration and practical help in furthering church progress.

I will leave all Missionary statistics to be given in the report of the Board of Missions, but I cannot refrain from congratulating one parish; St. John's, Lancaster, on the spacious and splendidly arranged Parish House which has just been completed without debt; and also calling attention to another, equally large and greatly needed, which is approaching completion at St. Luke's, Altoona.

Two large pieces of ground, beside and behind the Mission Church of St. Michael's and All Angel's, Middletown, have been purchased during the year; while the new Rectory of the Chaplain at Mt. Alto Sanatorium has been built and paid for largely through the efforts of the Rev. H. D. Speakman; and the Rectory at State College, and that of St. Luke's, Blossburg, have been freed from all mortgage indebtedness.

A fire destroyed a part of Christ Church, Arnot, but the property had been insured by the Bishop and enough money has been received to repair the damage.

On Saturday, April 29th, I had the pleasure of opening and holding the first service in St. Joseph's Mission Church, Mt. Pleasant, five miles from Tioga. The pretty frame edifice stands in a commanding and conspicuous location and is of an unusually attractive design. It is practically paid for and will be an addition to Tioga County. The new Memorial organ which I dedicated at St. John's, Westfield last Monday night, given in memory of Mr. and Mrs. Eberly, means much for the work of that church.

Another new chapel has been built during the year at Coal Run. St. George's, in the Archdeaconry of Williamsport. St. John's Chapel South Williamsport, also, asks to be recognized and admitted as an independent parish.

At the last General Convention, held in New York City, the Church in the United States was divided into eight Provinces and now that it is growing near the time of the Convention to be held in St. Louis in October, the church has had nearly three years in which to judge of the value of this advanced step.

It has certainly not produced undue ecclesiasticism as was feared by some, and it has furthered efficiency. Beside the questions of universal importance which properly belonged to the General Convention there are many others of local interest which have been taken up in each of the Provinces.

As the Province meets two years in succession, omitting the year of the General Convention, there is twice as much time given for the discussion of subjects, and the number of Bishops, other clergy and laity present, being so much smaller, there is more time for individual expression of opinion.

As the Synod of the Province all meets together, and is not divided into the two houses meeting separately as is done in the General Convention, there is in some respects a wider interest, and those in attendance can hear the subjects under discussion debated from every point of view.

Each diocese should try as in the past to secure a strong delegation of clergy and laity so that it may be well and ably represented at the meeting of the Synod.

Special studies are being made by experts of the particular needs of each Province, and when these Committees have completed their investigations as to Provincial opportunities, and the best way to meet them, each diocese will feel behind it the support of its neighbors and larger plans than any one diocese can afford to make, will be formulated and put in practice.

Just as the Province and the Diocese by concentration can accomplish much which the General Convention could not by any possibility attempt, so can we individually in our religious and parochial life do much more than we ever have thought possible in the past.

The man who attempts to do everything, will by scattering his efforts, secure very small results.

Comprehensiveness of aim, is very often attained and obtained by the sacrifice of thoroughness and particularity. To be too far sighted is even worse than to be near sighted.

In business and professional life we have learned the advantage, yes the necessity, of specialists.

In the early days of this country, each large farm took care of itself. In addition to the required sowing and reaping the farmer was largely his own blacksmith, wheelwright, schoolmaster, doctor and lawyer. Now, however, he has learned to purchase all he can at the stores and attend strictly to his proper farm duties.

Following out this idea, a change has come over the laymen and women of the church. Our ancestors read the Bible aloud to their households in family worship at least once, if not twice every day. Prayers with and for their children, their farm helpers and housemaids, were common. When the Parson called, all the members of the family were present to be inquired of and perhaps to be catechised. Religion was talked of in the family circle at the three regular meals of the day and around the evening lamp in the winter. Prayer meetings were sustained where men and sometimes also women, rose from their seats in church or lecture room and offered prayers in their own words to God for the success of foreign missions and for neighborhood and national blessings. People spoke largely in ordinary conversation, in the quaint phraseology of the King James' version of the Bible. Perhaps there was too much of this, which was introspective and personal, and so the great change has come that fathers and mothers can be found, who while they profess christianity have never spoken even to one of their children about conversion and the building of a sanctified Christian character.

Prayer meetings and class meetings, in those religious bodies which still have them, are generally poorly attended, and the Papacy also finds it harder and harder to force men and women to their knees in prayer. The educational world had studied so hard, so long and so presistently that it seems to have forgotten the child-like faith, frankness and humility of former generations.

"And as thy servant was busy here and there" my charge "was gone," said the prophet of old times and so, many unwise dreamers,

walking with their eyes fixed on the stars above, have fallen into the pit of unproductiveness and today are farther away from the stars than ever, in the mire of clay and despondency.

We must ask great things of God and we must attempt great things for God, but we cannot accomplish, unless we determine what is *most* necessary and force all our efforts *in one or two lines only.*

How often has it been shown that the "good enough" is the enemy of the best. If we, in our religious life, are satisfied with the mediocre and ordinary we will never attain to exceptional purity or goodness although we know the Master said, "Be ye also perfect, even as your Father in heaven is perfect."

Ofttimes our lives are too broad and diversified in their interests to accomplish anything really worth while. Instead of knowing any one book, or department of knowledge thoroughly, we try to become encyclopedias gathering a few facts about almost everything and with this smattering of learning fail to know or to do anything well.

The Latin motto, "Ars longa, vita brevis," shows this truth was appreciated even before the coming of Christ. How much more then, is it necessary now, when our Blessed Lord has appointed to every man his work, that he should prepare for it and not some other man's work; and attend to it with all his might, not interfering in some other man's duty.

When the great work of the Old Testament was accomplished, the rebuilding the wall of the Holy City, Jerusalem, it was done by each man erecting the particular part of the wall "opposite his own house."

Our Lord in the Parish of the Vineyard, "appointed to every man his work" and the present trouble of our church life seems to be that we are scattering our energies and not concentrating upon the particular duty which we can do for God, and which will be undone if we do not do it.

Christianity means following and being like Christ. Think of that life for a moment and you will see the impression made on your mind and heart is as much if not more, by the things He did not do as by the works he wrought.

From the time when as a boy of twelve in the Temple, He said, "Wist ye not that I must be about My Father's business" to His Mother's anxious inquiry; until on the cross dying, He said, "It is finished," he let everything else go: family affection, political movements, money-making, and all kinds of pleasure and even healthful recreation, saying that He was "straitened in Spirit," until His task was completed.

At another time He said, "For this cause was I born, and for this cause came I into the world." When the Scribes and Pharisees tried to "entangle Him in their talk," He refused to take up outside questions, and delivered His spiritual message, while laying the foundation for His Church which was to carry on His work after His crucifixion.

As in secular life, the world realizes that men and women's success depends more upon what they do not do, than upon what they do; even more so does the Christian life call us to say "No" to ourselves and to many alluring invitations, which though not evil in themselves would be absolutely evil for us, because they would take our time, interest and strength away from the charge committed to us.

"This one thing I do" was St. Paul's motto and should be ours. To take up one line of work for Christ, we must probably give up ten

other less important lines of effort. We are not our own, we are bought with a price. Not one among many loves is to be our Saviour's place. He is either *all* to us or nothing. Not on a level with others, but our "Best beloved." "Head over all things to His Body, the Church; chief among ten thousand and the one altogether lovely."

We cannot patronize Him, nor condescendingly commend Him as a friend, taking care lest we speak too strongly or show too much emotion. "He is very God of very God," and we are His slaves and His "douloi," servants bought with a price, whose whole life should be devoted to carrying on His commands.

"My son give Me thine heart," is His behest and nothing less will answer. The Cross of Calvary meant death for Him and it means death for our souls unless by *self sacrifice*, we are joined to Him and have an interest in His shed blood.

As Faber sings:

> "What language shall I borrow to thank Thee, dearest Friend
> For this Thy dying sorrow, Thy pity without end,
> Oh make me Thine forever and should I fainting be,
> Lord let me never, never, outlive my love for Thee."

The old cry "Awake Thou that sleepest and arise from the dead and Christ shall give thee light" should be heard again in each church of our diocese and land. How many there are who let the years slip away without making any one real sacrifice, or one real effort to bring souls to God and hasten the coming of His Kingdom. They have found time to make a name; to make money; to carry on political life; their business, their profession, and social life; but they have not found time for Christ. They have read countless newspapers, books and songs; have seen many theatrical plays and perhaps foreign lands, but they have not yet studied their Bibles; or engaged in church work until through sacrifice, they find the Christ.

On Christmas Eve, when Christ was born, there was not room for Him in the crowded Inn at Bethlehem, and so in most lives today, ordinary happenings and commonplaces fill our minds and keep the doors of our hearts bolted, against the knocking of the Son of God.

May this coming year be for each one of us a time of examination and for pruning our many useless branches, that we spread less upon the wall of popular favor; bearing not worthless leaves, but the fruits of Godliness. "If ye abide in Me and My words abide in you, ye shall ask what ye will and it shall be done unto you."

Let us stop pretending and toying with religion, recognizing the church as one of ten or twenty earthly societies, having an equal claim. Let us make Christ supreme and then, withdraw from most of the other associations which only distract our attention from *the main purpose of life.*

Ratified and confirmed the "in interim" action of the members of the Standing Committee in consenting to the sale of the Rectory of St. Stephen's Church, Harrisburg. Appointed as Committee to audit the

accounts of the Treasurer of the Diocese: Rev. George I. Browne and Hon. David McMullen. Approved the Charter of St. John's, South Williamsport.

May 9, 1916. Recommended William H. Bond to the Bishop for ordination to the Diaconate. Received the report of the Committee appointed to audit the accounts of the Treasurer of having examined the accounts and found them correct.

APPENDIX F.

COXESTOWN COMMEMORATION.

The commemoration of past events should be related to present problems and future utility. Your Committee on Commemoration of the Sesquicentennial of the founding of the Coxestown Church has wished to do something more than repeat the pilgrimage of last year when the Convention was in session in Harrisburg. The Church in Coxestown was probably never very flourishing. It was a warning to recognize the importance of the constant need of strengthening the Church, and we have tried to plan a commemoration which might strengthen the work of the Diocese or at least of the city whose name the Diocese bears. Some of the plans for the improvement of the organization of the work of the Diocese have since been carried out by other agencies. We have found it possible to plan to strengthen the work in the city of Harrisburg by combining a Commemorative Service with special prayers and Thanksgivings authorized by the Bishop in the Parish Church nearest Coxestown with a Sunday School Institute under the direction of the Provincial Board of Religious Education and a special meeting of the Harrisburg Clericus. The date will be November 15th, and invitations will be sent to all the Parishes in the Diocese.

COMMITTEE ON NATION-WIDE PREACHING MISSION.

The General Convention of 1913 called the whole church to a Nation-wide Preaching Mission. Perhaps few hopes thus aroused have been more generally realized. Many clergy of our Diocese responded and arranged Missions in their Cures before the appointment of our diocesan committee, which was definitely organized at a meeting at the Bishop's House on October 19th last. At this time the Bishop's approval was obtained for a special prayer for the success of the work, and every clergyman in the Diocese was appealed to, asking that a Preaching Mission be held in his parish, if he was willing to conduct such a Mission in a parish to be assigned, and if he could fill the place of some neighboring clergyman absent over Sunday while conducting such a Mission. The results of these inquiries were presented at a meeting in St. Stephen's Church, Harrisburg, on November 29th, and further efforts made to reach those clergy who had not responded. It was agreed that the necessary expenses of the Missioners should be met by the committee on condition that one offering at the Mission should be given to the committee's treasurer. The lay members of the committee very generously made possible the meeting of all demands. Some of the Missioners have expressed the opinion that while those brief Missions of three day conferences of which there have been several, have doubtless been beneficial, yet the kind of results to be hoped for from them is not at all of the sort which ought to be expected from more sustained effort. Definite conversions, revival of interest in the spiritual life, the bringing of men and women to Baptism or Confirmation and to decisions as to the regular participation in the richer privileges of Church life usually can come only during mission effort lasting at least ten days.

One unusual Mission was that of Rev. J. O. S. Huntington, Superior of the Order of the Holy Cross, at Harrisburg for the congregations in the immediate vicinity. In preparation for it, on St. Andrew's Eve, we were able to meet and enjoy the Conference held by the Rev. Harvey Officer at St. Stephen's Church when the whole subject of the conducting of Missions was very helpfully discussed.

The Committee desires to thank the several Clergy who have so ably assisted in the conduct of many of these Missions or Conferences.

We beg to append a list of Missions held in the diocese, and Col. Reynold's report as Treasurer:

Missions held in Altoona Archdeaconry, 5; Missions held in Harrisburg Archdeaconry, 8; Missions held in Williamsport Archdeaconry, 11; total Missions this year in three Archdeaconries, 24.

APPENDIX H.

THE REPORT OF THE BOARD OF MISSIONS TO THE ELEVENTH ANNUAL CONVENTION OF THE DIOCESE OF HARRISBURG.

At the National Laymen's Missionary Congress at Washington in April, one of the strongest statements made was that "while the millionaires of the country could easily finance a plan for the evangelization of the world, the poor people could also finance it. If the 20,000,000 church members should give 5 cents a week per member in addition to what is now being given, there would be raised the vast sum of $50,000,000." And the question as to whether the poor people could do it was answered by the simple statement: "Let the crowds at the moving picture shows answer."

The speaker further said: "We shall have to give this money in order to save ourselves. Unless there be some such outlet for our prosperity our nation will be pagan some day."

Strong words are these, but to our shame, let it be said, they are true. It is easy enough for us to say, let Smith give it because he is wealthy, and then forget to contribute our own share.

Another speaker said the preachers were "the men with the vision"—that we owed much to them—so much that it is doubtful if ever we can pay that debt." And yet how can a man have much of a vision when the amount he receives as his stipend is so trifling that much of his time and energy and thought goes into the problem of how to provide Johnny with shoes and Susie with a coat, let alone enough to give the tired wife a little vacation and himself the luxury of a new book once in every so often?

If the missions of the church do not prosper as much as we think they should, the fault is ours as much if not more than it is the missionaries. That old joke of the prayer at the advent of the new pastor—"Lord, keep him humble and we'll keep him poor"—is just as true to life today as it was the first day it was perpetrated or conceived.

We will not do our share in the work of the evangelization of the world until we wake up and contribute sufficient funds to not only pay our missionaries the amount the laborers in the vineyard should receive, but also enough to send additional men and women into the fields where even to-day the harvests be ripe and ready to garner.

This convention could do no better or finer thing than in some way bring home these truths and so fire the hearts of every communicant of this Diocese that we at least would give that small average of five cents per week per member additional for the cause of missions, both home and abroad, and the word apportionment would then lapse into innocuous desuetude.

An urgent effort is requested on the part of every minister and parish or mission to pay in full their apportionment this year for general missions, unless we wish to see the Diocese held up as the

only one in this Province which failed to pay its apportionment. Encouraging words have come from some of the smaller of our mission stations who for the first time in their history are paying their apportionments in full. They will put to shame some or the larger parishes unless there is some decided change of front. One priest attended the fires all winter and did the janitor's work in order that their portion should be paid. Can it be possible that this example will fail to bring to a full realization of their duty some parishes which have men attending who could contribute without feeling it, an amount equal to that raised by this priest for his entire work—his own salary, coal, light, mission and diocesan apportionments, etc.? Let us hope not.

Never were the demands for men to use their wealth to the glory of Christ as many as they are to-day—never was there a chance to do as much good—never was there the need of as many missionaries—and since God in His infinite wisdom has so far blessed America by keeping it out of the awful maelstrom of war which is devastating Europe—never was there a time when we should be as thankful as to-day, and willing to give God His share of our prosperity.

The financial report of the Treasurer, Mr. Geo. N. Reynolds, is as follows:

Balance on hand May 12, 1915,	$1,104 47
Total receipts to May 8, 1916,	7,245 35
Total,	$8,349 82
Total disbursements,	8,285 61
Balance,	$64 21

And there is $1800.00 as a stipend pay roll to meet on July 1, 1916.

GENERAL MISSIONARY.

For the year ending May 1, 1916, I have to report 82 visits made to places in the Diocese, outside of my place of residence. In nearly every instance opportunity was taken to present the cause of Missions. In some instances visits were made for the purpose of inspecting building or repairing operations, wholly or in part, under my control, in other instances visits were made for the purpose of celebrating the Holy Communion where Deacons were in charge, or for holding services in vacant places. I have baptized two infants in Grace Chapel, Riverside, have delivered sermons and addresses to the number of 91. Among these are addresses made at meetings of the Womans' Auxiliary, Sunday Schools, Public Schools—wherever opportunity was presented or could be found or made.

Three new buildings have been erected in our mission field during the year: St. George's, Coal Run; St. Joseph's, Mt. Pleasant and the rectory at Mont Alto Sanatorium. These buildings are well made and owing to local conditions, fortunately under our control, have been built at a money cost far less than the value of the buildings when finished. Repairs have been effected in St. David's, Delta, and Christ Church, Arnot, which had been damaged by fire.

As heretofore effort has been made to increase interest in and contributions for missions in our Sunday Schools. In many of our schools the weekly system of offerings for missions prevails, in others local plans for offerings are in use, and in other instances the offerings are merged with the parish offerings and are not reported

separately as from the Sunday Schools. Owing to these facts and perhaps others it is out of the question to get the "Thanksgiving Offering," which is recommended by the Board of Missions and for which boxes are sent out year by year, generally adopted, or get anything like a full report of what the Sunday Schools report separately for Diocesan Missions.

Those missions are not now many in which the weekly system of offering for missions does not prevail. In a very few instances where the system has been introduced it has fallen into desuetude for reasons that are not easy to determine. Local conditions, the character of employment, the frequency of pay day, have their part in determining the convenience and perhaps the possibility of a weekly offering. In one instance money appears once a year when the crop is sold, and there are no movie shows in the place.

It is interesting to note that in the year ending May 1, 1910, the offering in the Diocese for Diocesan Missions was $4,620.27, in the year ending May 1, 1915 it was $7,653.26. In this Diocese an increase of $3,000.00 in five years is encouraging. It still remains true that the limit of ability to contribute to this department of the church's effort has not yet been reached, by a long way. The education process, while vitally important and to a degree effective, is slow. To be patient and keep sweet and everlastingly at it is in order.

The Joint Commission on Social Service in a statement which has recently come to hand, mentions among other things done the gathering of between two and three hundred lantern slides showing the social work of the Church. In the past three years I have gathered about one hundred lantern slides of rectories, parish houses and churches in our mission field. With few exceptions these have been made by myself. This collection is therefore, unique and very valuable. It is personally conducted and can be presented wherever electricity is in use for illumination. I have used this collection 19 times this year in 18 different places.

LEROY F. BAKER, *General Missionary.*

THE BISHOP'S HAND.

During the year ending May 1, 1916, three calls of the Bishop's Hand have been made and three places have been assisted: St. Peter's, Juniata, completion of guild room; St. Luke's, Blossburg, extinguishing debt on the rectory, and St. Joseph's, Mt. Pleasant, toward the construction of a new building. Some responses came too late to be included in the amounts sent to the various places and some subscriptions have been paid in advance which leaves a balance in hand subject to the disposal of the Bishop, part of which has been used for incidental expenses, part for certain compulsory repairs at Grace Church, Riverside.

ARCHDEACONRY OF ALTOONA.

All Mission Stations are supplied with regular services, and with but two exceptions are in a healthy and encouraging condition.

St. James, Bedford, and Christ Church, Everett, are in the care of the Rev. Albert Aune, who has done an excellent work, especially in Bedford, where services have been maintained regularly with in-

creased attendance and growing interest. During the year the Church has been improved by the installation of a new furnace, a new roof and electric lights. The Sunday School has been organized and plans are being perfected for a vested choir. Offerings amounted to $1,030.01. All apportionments paid in full.

Christ Church, Everett, has had regular services, but there is little encouragement for immediate improvement.

Holy Trinity, Hollidaysburg, and St. Peter's, Juniata, are in charge of Rev. Malcolm DePui Maynard. Both missions are in a most healthy condition. The congregation of Holy Trinity is making every effort to reduce their debt on the church, and every department of work is most encouraging. Recently, a branch of the Woman's Auxiliary was organized and the members manifested great interest in mission work. A very helpful mission was preached by the Rev. John Gilbert, of West Chester, Pa., from Jan. 24 to Jan. 28.

St. Peter's, Juniata, besides maintaining regular services, and the Sunday School, have installed natural gas for heating the church, and have made many improvements in the basement which will be used for a Guild Hall. Duplex envelopes have been introduced and are an improvement over the former system of raising funds.

St. Barnabas', Altoona, Rev. W. M. Parchment, priest in charge, has made splendid progress during the year. Many persons have been enrolled and the interest manifested by pastor and people is an assurance that St. Barnabas in the near future will be free from their present indebtedness and numbered among the self-supporting parishes. The mortgage on the chapel has been reduced by $100, new windows have been put in and other improvements made which give to the building an attractive and churchly appearance. The offerings during the year amounted to $550.38 more than last year.

Trinity Church, Orbisonia, is in charge of the Rev. Merrill Howard Aker. The services are held regularly and everything is being done to keep the church alive. But the work has not much encouragement as there are but few church people in the town, and no prospects of there being any increase in the future. Since Mr. Aker took charge of the work improvements have been made to the property, but much more is needed.

F. T. EASTMENT, *Archdeacon.*

ARCHDEACONRY OF HARRISBURG.

The Rev. Mr. Yule is in charge of Blue Ridge Summit, Beartown, and Waynesboro, where steady progress has been made. All apportionments have as usual been made promptly.

At Blue Ridge Summit, 8 have been confirmed, and 3 baptized. Ground adjoining the church has been bought for parking automobiles. A building has also been bought and set aside as a place of worship of the summer visitors. For the first time in the history of the Parish House, this year will end without a deficit. St. Mary's, Waynesboro, is in a healthy condition. There have been 3 baptisms, 3 confirmations, and 9 added to the list of communicants. Calvary, Beartown, is doing finely and the people appreciate their church privileges, and attend well.

The Rev. Mr. Speakman, our representative at the State Sanatorium at Mont Alto, has completed the addition to our chaplain's house, and made it presentable and comfortable. This he was able to do by gifts from the Church Building Commission; from the

advancement Society and largely by contributions from kind and generous people in Philadelphia and Pittsburgh. The improvements have cost a total of $2,394.54. All bills have been paid, but there is due Mr. Speakman $262.32, he having given his personal note in order to meet the final payments due the workmen. Our Diocese should take some action to reimburse Mr. Speakman for this amount. We are greatly indebted to Mr. Speakman for soliciting funds, and supervising the work of construction. We regret to say that his impaired health has compelled him to resign his position on Mont Alto to take up some other work in the Diocese.

St. Andrew's, Shippensburg, has been under the charge of Rev. E. S. Barlow since January. There have been 7 baptisms and 4 confirmations. The attendance at the Sunday evening service is excellent and increasing. The people and children are helping as never before and we are wishing the present pastor could continue permanently and help them build up St. Andrew's into an independent self-supporting parish. Mr. Barlow also has charge of St. Luke's, Mechanicsburg. Things were at very low ebb when he first went there. The people were discouraged. But now a better and more hopeful spirit prevails. Lately they held a very enthusiastic parish meeting, and appointed a committee to conduct an every-member canvass. The offering on Easter Day was over $100. The Sunday School has been reorganized, an organ fund is now well under way, all debts have been paid, and they have $100 to invest in the Diocesan Fund.

Rev. Mr. Bridgman has given another year of faithful service at Camp Hill and New Market. The Camp Hill church has had all new windows of art glass put in, and pews have been introduced in place of chairs. The basement has been fitted up for Sunday School and Parish House purposes. We are glad to hear the people speak of their willingness to add to their pastor's stipend. It is a sign of prosperity, of growth and of a kind heart. At New Market everything is doing well. New pews have taken the place of chairs and other improvements made. We regret to learn that Mr. John Grimes, the faithful Treasurer and friend of the Rector, has died.

The parishes of Lykens and Williamstown, under the care of the Rev. J. Vaughn Davies, have passed through a rather trying year on account of the coal miners working only part time. Nevertheless they can be congratulated on having done well in their church life. They have spent $350 in renovating and improving their church property, and paid all current expenses. They expect to pay all apportionments for Missions, and to help do this, the Missionary is doing all the sexton's work on condition that that salary, so saved, shall be given to General Missions.

The Rev. Mr. Dorwart has maintained services regularly at Newport, Thompsontown and Millersburg. All of these have paid their apportionment for Diocesan Missions in full. At Newport the church organ was overhauled at a cost of $90, which was paid by one person. The Easter offering was over $70. The borough council has ordered some street paving which will cost this parish $350. The Missionary approves of it and is getting ready to raise the price.

At St. Augustine's, Harrisburg, Rev. Mr. Henderson has ministered faithfully, and feels encouraged over the progress being made. Their building has been improved by some alterations.

The Rev. Mr. Hooper has continued in the faithful discharge of

his duties in the Missions of Gettysburg and York Springs. All apportionments will be paid.

The Manheim parish, under the care of Rev. Mr. Hughes, has made a good showing the past year. All apportionments are paid. The inside walls of the church have been painted and paid for. Three persons have been baptized and two confirmed. The General Missionary made an every-member canvass, and the people are giving regularly. The number of communicants on Easter Day was the largest in the memory of man. All of which is very encouraging.

Through the kindness of Mr. K. Karl Honaman, a lay reader, regular Sunday services have been maintained in Bangor Church, Churchtown.

Mr. Edward C. Pielow, also a lay reader, of St. John's, Lancaster, has kindly conducted Sunday services at Quarryville.

During this convention year the Rev. Frederick A. Cook has been in charge of our Missions in Paradise, Leacock and Nickel Mines, and it must be added that they are better off spiritually and materially for his being there. The services are fairly well attended. At All Saints', Paradise, a vested choir of 8 voices has been introduced. The church has been wired for electric lighting. A good business-like financial report, to which a budget for the next year is wisely added, has been printed and distributed, which will surely result in much good. The apportionments for Diocesan Missions have been paid, and they are hopeful of doing greater things for the Blessed Master next year.

The Rev. Lewis C. Morrison, as rector of St. Luke's Parish, Mt. Joy, and as Missionary at Elizabethtown, has put in a year of work of which he might well be proud, and which deserves our appreciative thanks and praise. At Elizabethtown he has held 206 public services, baptized 10; 1 was confirmed, and he has ministered to our communicants in the Masonic Home. While at Mt. Joy, he has had 84 baptisms, presented 18 for confirmation and has increased the number of communicants from 52 to 76. He has not spared himself in this work for the Master, but has gone about it with devoted energy, patience and kindliness, with self-sacrificing zeal and consecration, which is evidence that he has a promising future for the accomplishing of great things in the church's service. The 34 baptisms to his credit in these two quiet little towns is remarkable, and places him, probably, in the lead of any clergyman in the Diocese. Lately the Bishop has allowed him to relinquish Elizabethtown and has given him charge of St. Michael and All Angels', Middletown. Here much constructive work needs to be done to revive and build up this Mission and Mr. Morrison is just the man to accomplish such a work.

Ever since the coming of the Rev. Mr. Bullitt to St. Andrew's, Harrisburg, it has been a pleasure to tell and hear tell of the steady progress being made under his wise administration. During the past winter the severe epidemics of grippe and measles interfered with the attendance at church and Sunday School, but now their congregations are larger than ever before. $100 has been given to the Memorial Endowment Fund. The apportionments for Diocesan Missions paid in full, and they are likely, for the first time since the death of Mr. William Alricks, to pay that for General Missions also. Today the Rector, Vestry and congregation of St. Andrew's come proudly before this convention and relinquish further aid from the

Board of Missions; thereby assuming the life of an independent, self-supporting parish. We congratulate them on their accomplishment and wish them a continuance of peace and prosperity.

Now what Mission will be next to follow this example?

ALEXANDER MCMILLAN, *Archdeacon.*

ARCHDEACONRY OF WILLIAMSPORT.

In the Archdeaconry of Williamsport the year has been one of gratifying progress.

At St. Andrew's, State College, the Rev. E. M. Frear, chaplain, ten were presented for confirmation—six from faculty families and four students. Of those from the faculty, four were men and two women. The Mission has been able to pay off the remaining $2.000 against the Rectory; and also to accumulate a fund of $1,000 towards the completion of the church. One notable gift came from a Senior at the College, who received a small inheritance that came to him unexpectedly, and felt that he would like to make a thank offering, and gave $500—a splendid tribute to the fine spirit of the young man himself, and a most encouraging appreciation of the important work being done by St. Andrew's. During the year the Church and Rectory grounds have been greatly beautified by the planting of trees and shrubbery. Plans have been adopted for the completion of the Church and committees formed in the dioceses of Pennsylvania and Pittsburgh to assist in securing the necessary funds. Able articles from the pen of the minister in charge are appearing in papers of wide circulation, setting forth the character of the work at State College and in similar institutions elsewhere, and appealing to the Christian patriotism of readers generally. From such sowing good fruit will come, and the future of this Mission is most promising.

Christ Church, Milton, has had a remarkable year. In all the minister in charge, the Rev. Percy R. Dix, has baptized 21 persons. In November a class of 17 was presented for confirmation; in February a second class of 6 was presented. The Mission has been fortunate in securing many interesting and beautiful gifts, several of which are memorials to deceased relatives and friends of the donors: Two brass vases and altar desk, in memory of John Adlum Barber, from his daughter, Mary Barber Godcharles. Brass alms basin, in memory of Mrs. Summers Young, from her husband. Credence shelf, in memory of Maurice H. Kimball, from his mother. Two alms basins, in memory of Maria L. McCormick, from her daughter. Marble tablet in memory of Margaret M. Hull, by the Vestry of the church. Memorial window, in memory of Margaret M. Hull, from her brother, Alex P. Hull. Two glass cruets by Mrs. M. E. Kirk. Silver wafer box and new green hangings by the Altar Guild.

The Missions of Christ Church, Berwick, and St. Gabriel's, Cole's Creek, have been in charge of the Rev. C. C. Kelsey, who is now leaving for a new field in the diocese of East Carolina. Cole's Creek, one of the oldest stations of the Church in the Diocese, has become something of a resort, and in the summer months there is a congregation averaging forty in regular attendance. It would be to the advantage of the Church if there could be a clergyman resident of Cole's Creek for this portion of the year. At Berwick a most interesting feature of the work is a men's Bible Class, led by the minister in charge, which meets every other week, and which is largely attended by the men of the town, regardless of religious affiliation, and

whose course of study has been the Acts of the Apostles. A solid silver private Communion set has been presented to the Church by Mrs. O. A. Pealer, in memory of her daughter, Ellen Marguerite Pealer, who died December 5, 1915.

At Holy Trinity, Centralia, the Rev. Robert R. Morgan, minister in charge, where industrial conditions have not been of the best for some time, there has been a good increase in attendance at both the services and the Sunday School, and five persons were presented for Confirmation. The Church is to be greatly beautified by having fourteen new windows of a churchly design, most of which will be memorials, and the remainder have been fully subscribed for, so that no debt upon the Mission will be incurred. The Rev. Mr. Morgan's long pastorate has been a great blessing to this community.

At Halls' and Upper Fairfield, the Rev. C. H. Daupe, minister in charge, the year has been one of quiet and substantial growth. There have been more baptisms than in any previous year, and a good class is preparing for Confirmation. All assessments and apportionments for Diocesan purposes have been fully met, and the apportionment for general missions will also be paid before the close of the financial year. A fine spirit of deep religious feeling is manifest, and a loyal desire to bear the full portion of the church's duty and burden.

St. John's Westfield, the Rev. Guy F. Caruthers, minister in charge, has seen the completion of two important projects, begun a year ago. A fine two-manual organ, the gift of a vestryman—Mr. Eberle—has been installed and dedicated by the Bishop of the Diocese. And the erection of a large municipal gymnasium, which will be of good service to the young people of Westfield. Improvements have also been made to the choir room, which has been fitted with lockers for the convenience of the members of the choir. An Altar desk of special design has been presented in memory of the first warden of the Parish, Mr. Gilbert H. Tremain. A good class has been presented for Confirmation, and the Mission is entirely free of debt, and in good financial condition. The Rev. Caruthers is to be greatly commended for his wise and aggressive leadership.

At Trinity Church, Jersey Shore, the Rev. Lewis H. Huber, minister in charge, has presented a class of 15 for Confirmation, with another class of equal number now forming. Plans have also been laid to pay off the balance of the indebtedness of $1,500 by the end of the year.

The other Mission in the Archdeaconry need not be specifically mentioned. It will suffice to say that in them all there has been manifest an increasing regard for the good appearance of Church property, a better and more prompt financial support, a larger attendance at the services and at Sunday School, more baptisms, more confirmations; and, what has not occurred in any previous year,—many have informed the Missionaries that they desire to be members of the next Confirmation classes, thus showing that the Church has appealed to their deeper convictions and more mature judgment.

LEWIS NICHOLS, *Archdeacon.*

REPORT OF THE MISSIONARY TO DEAF MUTES.

As your Missionary to the deaf mutes in the Diocese of Harrisburg during the past year I have held services at Muncy, Columbia, Steelton, York, Lancaster, Williamsport and Altoona. In all 72 services were held; celebrations of Holy Communion, public, 18;

private, 4; baptisms, infant, 3; adult, 2; confirmations, 11; one marriage. Attendance at all the services 1252. Number of individual deaf-mutes reached and served, 500. Pastoral calls, 153. Offerings at the services, $148.51. Expended for traveling and postage, $146.20.

I have also ministered in the Dioceses of Bethlehem, Erie and Western New York. In the four Dioceses I have held 237 services, with 42 public and 16 private celebrations of the Holy Communion; baptized five adults and ten infants; presented eighteen for confirmation; officiated at seven marriages and three burials. I also gave eight lectures and conducted fourteen services outside of my own missionary field. The Rev. C. O. Dantzer, of All Saints', Philadelphia, Oliver J. Whildin, of Maryland, John H. Keiser, of New York, and B. R. Allabough, of Cleveland, Ohio, have exchanged with me at several points in my field.

At the recent Synod held at Richmond, a resolution was adopted recommending that Missionaries to the deaf having work in the Third Province should drop all outside work and confine themselves exclusively to the limits of the Province. I was notified that the Diocese of Pittsburgh, heretofore a part of the work of the Mid-West, would be transferred to my care with the understanding that I withdraw from the Diocese of Western New York. When I received my appointment to Pittsburgh from Bishop Whitehead, I resigned from Western New York. My field will henceforth be more compact and accessible, and a considerable economy of money, time and effort will be effected. It will also place some 600 deaf-mutes communicants under my care, the largest number served by any Missionary to the Deaf in the whole Church. The importance and usefulness of this work is evident. Besides our own people, this work ministers to the deaf of all other creeds and to those of no creed as well.

From the interest, sympathy and support shown by the Bishops, Clergy and Laity towards this work in the past I am sure I can count upon their continued loyalty and enthusiasm in the future. With gratitude to God for what has been accomplished, this is

(Signed) FRANKLIN C. SMIELAU, *Missionary.*

SUNDAY SCHOOL BANNERS.

The S. S. banners this year have been awarded to St. Paul's, Columbia, and All Saints', Williamsport. These banners are awarded to the Sunday schools giving the largest amount per member for Diocesan Missions—one to Sunday school with 100 or more, and one to Sunday school with less than 100.

HARRISBURG CHURCHMAN.

The Harrisburg Churchman has been issued six times in its present form since the securing of second-class postal rates.

You are earnestly requested to have your parish subscribe for sufficient copies to supply each home or family. In no other way can the doing of the Diocese as a whole be brought to the attention of the entire list of communicants. Its Editor, Rev. Dr. Floyd Appleton, of Harrisburg, would welcome suggestions or articles for publication.

JOINT CONFERENCE.

In response to an invitation from the Board of Missions of the Diocese, the Board of Religious Education and the Social Service

Commission met with the Board of Missions in joint conference at the Bishop's House, in Harrisburg, on Thursday, March 16.

The conference was called to consider the possibility and desirability of co-operation between the three boards in their work. As their activities intermingle and are more or less interdependent, it was felt that on the ground of efficiency alone the boards should work in harmony and sympathy and in definite touch with one another.

The project of co-ordinating these three phases of Diocesan life was heartily endorsed by the Secretary of the Province, the Rev. William C. Hicks, who was present at the conference. Mr. Hicks expressed the belief that if this Diocese succeeded in effecting this project, its example would be quickly followed by the other Dioceses, and that the experiment would be watched with great interest, as the need of greater efficiency and more co-operation was felt everywhere.

After a general discussion of the weaknesses of existing methods, the possibility of establishing Diocesan policies, the necessity of more thorough and widespread information among both clergy and laity, the need of constant trained direction, etc., it was determined, in conjunction with the Bishop, to co-operate where possible, and some experimental steps in this direction were decided upon. It is proposed to hold a similar conference in the fall, and thereafter annually.

Please remember this Board is your board—it has no power to do anything except as given by you; it cannot distribute more than it receives. Its efficiency is therefore in your hands either to expand or contract. That duty is yours. God grant that you may see the vision and give sufficient that the work may prosper beyond our dreams.

Respectfully submitted,

RICHARD M. H. WHARTON, *Secretary.*

LYKENS, PA., *April* 28, 1916.

MY DEAR BISHOP: I respectfully report to you, my Bishop, that for the past conventional year I have continued to reside in Lykens.

During the illness of Mr. Dorwart I attended one funeral in Millersburg, but my infirmities have made it impossible for me to perform any other ministerial acts.

Faithfully your son in the Church,

CHAS. J. KILGOUR.

SPRINGFIELD, MASS., *May* 8, 1916.

The Rt. Rev. J. H. Darlington, D. D., LL. D., Bishop of Harrisburg.

My report is a brief one. On Sunday, June 13th, 1915, in the absence and by the request of the Rector, the Rev. A. F. Underhill, with whom I became acquainted in 1896, I celebrated the Holy Communion at St. John's Church, Northampton, Diocese of Western Massachusetts. This was my only official act during the last convention year.

Respectfully submitted,

NORMAN H. RUMLEAM.

FORT WAYNE, INDIANA, *May*, 1. 1916.

MY DEAR BISHOP: In the past year I have received valuable favors. I have officiated in several Churches besides that in which I live. During last August I had charge of a Parish during the Rector's vacation. I baptized several children and had a number of funerals. I also had four marriages. A few Sundays ago I made three trips to Church, two miles away, walking in all twelve miles in the day.

Yours faithfully,

H. P. CHAPMAN.

WILLIAMSPORT, PENN., *May* 5, 1916.

To the Right Reverend James H. Darlington, LL. D., Bishop of Harrisburg.

MY DEAR BISHOP: As your Missionary to the Deaf Mutes in the Diocese of Harrisburg during the past year, I have held services at Muncy, Columbia, Steelton, York, Lancaster, Williamsport and Altoona. In all seventy-two services were held; celebrations of the Holy Communion, public, 18; private 4; baptisms, infants, 3; adults, 2; confirmations, 11; 1 marriage. Attendance at all services, 1252. Number of individual deaf mutes reached and served, 500. Pastoral calls, 153. Offerings at the services, $148.51. Expended for travelling and postage, $146.20.

I have also ministered in the Dioceses of Bethlehem, Erie and Western New York. In the four Dioceses I have held 237 services with 42 public and 16 private celebrations of the Holy Communion; baptized five adults and ten infants; presented eighteen for confirmation; officiated at seven marriages and three burials. I also gave eight lectures and conducted fourteen services outside of my own missionary field. The Rev. Messrs. C. O. Dantzer, of All Souls', Phila., Oliver J. Whildin, of Maryland; John H. Keiser, of New York and B R. Allabough, of Cleveland, Ohio, have exchanged with me at several points in my field.

At the recent Synod, held at Richmond, a resolution was adopted recommending that Missionaries to the Deaf having work in the Third Province should drop all outside work and confine themselves exclusively to the limits of the Province. I was notified that the Diocese of Pittsburgh, heretofore a part of the work of the Mid-West, would be transferred to my care with the understanding that I withdraw from the Diocese of Western New York. When I received my appointment to Pittsburgh from Bishop Whitehead, I resigned from Western New York. My field will henceforth be more compact and accessible, and a considerable economy of money, time and effort will be effected. It will also place some 600 deaf-mute Communicants under my care, the largest number served by any Missionary to the Deaf in the whole Church. The importance and usefulness of this work is evident. Besides our own people, this work ministers to the deaf of all other creeds and to those of no creed as well.

From the interest, sympathy and support shown by the Bishops, Clergy and Laity towards this work in the past, I am sure I can count upon their continued loyalty and enthusiasm in the future. With gratitude to God for what has been accomplished, this report is

Respectfully submitted.

FRANKLIN C. SMIELAU, *Missionary.*

APPENDIX Q.

CONSTITUTION OF THE PROTESTANT EPISCOPAL CHURCH IN THE DIOCESE OF HARRISBURG, TOGETHER WITH THE CANONS AND RULES OF ORDER OF SAID DIOCESE.

ARTICLE I.

The Church in the Diocese of Harrisburg, being a constituent part of the Protestant Episcopal Church in the United States of America, accedes to, recognizes, and adopts the Constitution and Canons of that Church, and acknowledges its authority accordingly.

The Diocese of Harrisburg comprises the following named Counties in the State of Pennsylvania: Fulton, Bedford, Huntingdon, Blair, Mifflin, Juniata, Lycoming, Tioga, Potter, Northumberland, Montour, Columbia, Union, Snyder, Sullivan, Clinton, Centre, Lancaster, Dauphin, Cumberland, York, Adams, Franklin and Perry.

ARTICLE II.

There shall be a stated Convention of the Church in this Diocese every year, on the second Tuesday in May, at such place as the preceding Convention may have appointed, but if no such appointment shall have been made, then the Bishop and Standing Committee shall appoint the place. The Bishop and Standing Committee shall have power to change the time and place of the meeting of the Convention.

ARTICLE III.

The Bishop may call special Conventions when he shall judge it conducive to the good of the Church; and he shall do so when requested by a vote of three-fourths of the Standing Committee. If the Episcopate be vacant, the Standing Committee shall have power to call a Special Convention; such call to be made by a circular letter to all the Clergy and Parishes, and issued not less than twenty days previous to the day appointed for the meeting of the Convention, stating the special business for which it is called.

ARTICLE IV.

Every Convention shall be opened with Prayers, as directed by the Bishop. On the first morning of the Convention there shall be a Celebration of the Holy Communion.

ARTICLE V.

SECTION 1. The Convention shall be composed of Clergymen and Laymen.

SECTION 2. Every Clergyman who as a Clergyman or Candidate for Holy Orders has had Canonical and personal residence in the Diocese for six months preceding the meeting of the Convention, and

has been actually engaged for the same time in Church work with the previous written sanction of the Ecclesiastical Authority, shall be entitled to a seat and vote in the Convention. *Provided*, That no Clergyman once entitled to a seat and vote shall be deprived of it through disability by reason of age or sickness so long as he shall remain personally a resident in the Diocese.

SECTION 3. The Lay Members shall consist of the Secretary, the Treasurer, and the Chancellor of the Diocese, if they be Laymen, and of one Lay Delegate from each Parish and Organized Mission in union with the Convention, with one additional Lay Delegate for each one hundred Communicants in such Parish or Organized Mission as reported to the Convention next preceding, fractional parts of a hundred being disregarded, the Laity in all cases, like the Clergy, voting as individuals; but no Parish or Organized Mission shall be entitled to representation in the Convention which for the space of two years shall have failed to make a Parochial Report to the Bishop, or for the space of one calendar year shall not have employed a Clergyman as its Parish Minister, or applied to the Bishop for the services of a Missionary; or shall have failed to pay the assessments laid upon it by the authorities of the Diocese on or before the first day of the calendar month in which the Annual Convention for the year shall be held. But any such Parish shall again be entitled to representation if, on its own application, accompanied by a report of its condition satisfactory on the points herein named, the Convention shall agree thereto.

ARTICLE VI.

The Bishop shall preside in Convention, but, in case of absence or vacancy in the Episcopate, the Convention shall elect a President from among the Clergy.

ARTICLE VII.

A Secretary shall be chosen upon the assembling of the Annual Convention, who shall remain in office until his successor shall be elected. His duties shall be to take minutes of the proceedings, to preserve the JOURNALS and Records and the Seal of the Diocese, to attest the public acts of the Convention and faithfully deliver into the hands of his successor the Seal and all books and papers relative to the concerns of the Convention which may be in his possession. He shall cause one copy of every printed JOURNAL to be certified under the Seal of the Diocese, which shall be deposited as the official record of such Convention, and shall be preserved by him as such.

ARTICLE VIII.

SECTION 1. A Treasurer and a Registrar shall be elected at each Annual Convention, to hold office until their successors shall be appointed.

SECTION 2. The Treasurer shall be the custodian of the Diocesan Fund and of the securities belonging thereto and to the Endowment Fund. He shall disburse said Diocesan Fund as authorized by the Convention or the Standing Committee.

SECTION 3. The Registrar shall be the custodian of all JOURNALS of other Dioceses and Jurisdictions, files, papers, reports and documents that shall become the property of the Convention, and shall keep the same in some suitable accessible place of deposit, subject

to the direction of the Convention. It shall be the duty of the Registrar to keep a record of the Ordinations and Consecrations of all the Bishops, Priests and Deacons of this Diocese in a suitable book; his certificate thereof shall be the authentic evidence of the fact of such Ordination and Consecration.

SECTION 4. Four persons, Laymen of this Diocese, citizens of Pennsylvania and Communicants, shall be elected at each Annual Convention to be, in conjunction with the Bishop and the Chancellor of the Diocese, Trustees of the Incorporated Trustees of the Diocese of Harrisburg. The Bishop of the Diocese shall be *ex-officio* President of the Board of Trustees.

ARTICLE IX.

A Chancellor shall be chosen at each Annual Convention. He shall be a Layman learned in the law, and a Communicant, residing in this Diocese, who shall remain in office until his successor shall be appointed. It shall be his duty to act as legal adviser of the Bishop and of the Standing Committee, and of all special Committees appointed by Convention whenever they may require legal advice in questions affecting the interests of the Church.

ARTICLE X.

The Convention shall elect annually a Standing Committee, to consist of five Presbyters and five Laymen, Communicants of the Church, who, when there is no Bishop, or he is incapable of acting, shall perform such duties, not peculiar to the Episcopate, as are in the Constitution and Canons assigned to the Bishop. The Standing Committee shall have authority to fill all vacancies that may occur during the recess of the Convention in their own body, and also in such other offices as are held by annual election, except the elected Trustees of the Incorporated Trustees of the Diocese.

In addition to the powers already vested in them, they shall have authority to transact such executive business as may be brought before them during the recess of the Convention.

ARTICLE XI.

The Clergy and Lay Delegates in Convention shall deliberate in one body, and shall vote as such, except when it is required otherwise by five members. In such a case, the Convention shall vote as two distinct Orders, and a majority of the votes of each Order taken separately shall be necessary to give validity to a measure. Twenty Clergymen together with Lay Delegates from twenty Parishes, duly assembled in Convention, shall be a quorum, and on every question the votes of a majority of those present, or (when a vote by Orders is required) the votes of a majority of those present of the two Orders respectively shall decide.

In all elections when a vote by Orders is taken, the persons who shall have a majority of each Order on the same ballot and also the highest number of votes in each Order shall be declared elected.

ARTICLE XII.

SECTION 1. To entitle a Parish to admission into union with the Protestant Episcopal Church in this Diocese, it shall be required that the Vestry submit to the Convention their original Articles of Association or Charter, or a copy thereof, duly authenticated according to law; and it shall appear therein that such Parish accedes to the Constitution and Canons of this Diocese; and it shall appear

further, that the said Articles or Charter have been submitted to the Bishop and the Standing Committee at least thirty days before the meeting of the Convention, and by them respectively approved; or, if the approbation of either the Bishop or the Standing Committee, or both, is withheld, he or they shall report to the Convention, with the Articles or Charter, the reasons of his or their disapprobation.

SECTION 2. To entitle an Organized Mission to admission into union with the Protestant Episcopal Church in this Diocese, it shall be required that the Vestry submit to the Convention their original Articles of Association and application for organization, or a copy thereof, duly authenticated; and it shall appear therein that such Organized Mission accedes to the Constitution and Canons of this Diocese; and it shall appear further, that the said Articles and application have been submitted to the Bishop and the Standing Committee at least thirty days before the meeting of the Convention, and by them respectively approved.

SECTION 3. The Convention shall refer the whole matter and the documents in cases of this kind to a committee of three Clerical and three Lay Members of the same, to be called the Committee on Charters, to be appointed as soon after the organization of the Convention as conveniently may be, who shall make report thereof to the Convention for its final determination.

SECTION 4. Upon the favorable report of the said Committee and the adoption of its report by the Convention, such Parish or Organized Mission shall be admitted into union with the Convention and its Delegates entitled to votes therein.

SECTION 5. No Parish shall be formed within the limits of an existing Parish without the consent first given of the Rector and Vestry of said Parish, unless by decision of the Bishop, acting by and with the consent of the Standing Committee.

SECTION 6. No Parish shall be admitted into union with this Convention until such Parish shall have guaranteed a house for the use of the Rector, free from rent, and an annual salary of not less than One Thousand Dollars.

ARTICLE XIII.

When a Bishop is to be elected, the election shall be at the regular Annual Convention, or at a Special Convention duly called for that purpose. No person shall be declared elected unless he shall have received a majority of the votes cast in each Order voting separately at the same ballot: *Provided*, That two-thirds of all the Clergy entitled to votes be present and two-thirds of all the Parishes entitled to votes be represented; otherwise a vote of two-thirds shall be necessary.

ARTICLE XIV.

The Seal of the Diocese shall be such as the Convention shall adopt.

ARTICLE XV.

This Constitution or any part thereof may be amended in the following manner only: The proposed amendment shall be submitted in writing to the Annual Convention, and, if approved by a majority of each Order, shall lie over to the next Annual Convention, and, if then approved by a majority of each Order, the Constitution shall stand amended as proposed.

CANONS.

CANON I.

OF CLERGYMEN ENTITLED TO SEATS.

At least ten days before the meeting of every Convention of this Diocese, the Bishop shall deliver to the Secretary a list of all the Clergy Canonically and personally resident in the Diocese, and entitled to seats in the Convention, with the names of their respective cures, Parishes, stations or places of residences. This list shall determine the right of any Clergyman to a seat, subject, however, to correction by the Convention in accordance with the Constitution and Canons.

CANON II.

OF LAY DELEGATES.

The Vestry of each Parish, at a meeting duly convened, may elect one Lay Delegate, and one additional Lay Delegate for each one hundred Communicants as reported at the preceding Convention, to represent said Parish in the Convention. The appointment of Lay Delegates to the Convention shall be certified in writing by the Secretary or Clerk of the Vestry of the proper Parish; and the certificate shall state that the Delegate therein named was chosen from the number of those who have been for not less than six months before the election worshipers in the Church or Parish to be represented. The certificates shall be in duplicate, one copy to be forwarded to the Secretary of the Convention; the other given to the Lay Delegate.

CANON III.

CALL OF THE CONVENTION.

Not less than twenty days' notice of the meeting of every Convention shall be given by the Secretary to every Clergyman of this Diocese and to every Parish in union with the Church in this Diocese.

CANON IV.

OF RULES OF ORDER AND PROCEDURE IN THE CONVENTION.

The Rules of Order of the last preceding Annual Convention shall be in force until altered by the Convention, and the procedure of the business in Convention shall be carried on in accordance therewith.

CANON V.

OF REPORTS OF THE STANDING COMMITTEE.

It shall be the duty of the Secretary of the Standing Committee to prepare a report of their proceedings from year to year, and present the same to the Convention at its Annual Meeting.

CANON VI.

THE ENDOWMENT AND DIOCESAN FUNDS.

SECTION 1. The income of the Convention, whether realized from investments or assessments upon the Parishes, Organized Missions and Mission Stations, shall be known as the Diocesan Fund.

SECTION 2. All moneys contributed for the support of the Episcopate shall be held to enure to the credit of the several Parishes, Organized Missions and Mission Stations for or by whom the same were contributed, and shall constitute the Endowment Fund.

SECTION 3. At every Annual Convention, a Finance Committee shall be elected to perform the duties set forth in this Canon. This Committee shall consist of the Secretary of the Convention, the Treasurer of the Convention, the Chancellor of the Diocese, if they be Laymen, and of four Laymen. No member of the Standing Committee shall be eligible for this Committee. The Committee so constituted shall be Trustees of the Endowment Fund.

SECTION 4. The Finance Committee shall apply the Diocesan Fund, *first*, to the payment of the salary of the Bishop, and, *second*, to the payment of the expenses of the Convention (including the mileage of the Clergy attending the same to an amount not exceeding the railroad fare actually paid), to the necessary expenses of the several Committees appointed by the Convention, and to such other payments as may be authorized by the Convention or by the Standing Committee.

SECTION 5. It shall be the duty of the Finance Committee of the Diocese to provide for the annual payment to the Committee on the Church Pension Fund of all the premiums payable on behalf of the Bishop of the Diocese, and also on behalf of the Coadjutor-Bishops and the Bishops-Suffragan, if there be such, and to pay said annual premiums to the Committee on the Church Pension Fund.

SECTION 6. At least twenty days before every Annual or Special Convention, the Finance Committee shall notify all Parishes and Organized Missions which may have failed to meet their assessments in full, stating the amount still due, and shall add to the notice the Clause of Article V of the Constitution, which debars such Parishes from representation in the Convention.

At the opening of every Annual Convention, the Committee shall present a printed report, stating the condition of the Diocesan and Endowment Funds, a summary of the receipts and expenditures for the past year, a list of the Parishes and Missions which may have failed to pay their assessments, stating the amount still due from each, an estimate of the expenses for the ensuing year, and of the rates of assessment required to make up the same.

SECTION 7. The basis of assessment for the Diocesan Fund shall be the amount given under the headings "Clerical salaries," "organist, choir and music," and "current expenses," in the Parochial Report printed in the JOURNAL of the preceding Convention; or where no Parochial or other Report was given, the assessment shall be made upon the amount as estimated from information derived from other sources.

The Finance Committee shall meet on or before the first day of October in each year, and shall assess the Parishes, Mission Stations, and Organized Missions to an amount sufficient to meet the estimated expenses, allowing each credit for its interest in the Endowment Fund.

All assessments shall be due upon the receipt of notice of the amount from the Finance Committee; and it shall be the duty of the Parishes and Missions assessed to pay their respective dues to the Treasurer of the Diocese on or before the first day of January in each year.

The Treasurer shall allow a rebate of three per centum upon all assessments which shall be fully paid to him on or before the first day of January. It shall be the duty of the Treasurer of the Diocese to add to all assessments which shall remain unpaid upon the first day of March in each year, ten per centum of the original amount of such assessment, in the nature of a penalty for non-payment, which penalty, when so added by the Treasurer, shall form a part of the assessment against such Parish with like effect as if originally laid thereon in accordance with the provisions of this section. No Parish charged with such penalty shall be considered as having paid the assessment laid upon it by the authorities of the Diocese, unless the full amount of such assessment, including the penalty, be paid.

All requests for reduction or for exoneration shall be made to the Finance Committee, who shall submit the same, with their recommendation thereon, in their printed report, to the Convention for its approval.

CANON VII.

THE CHURCH PENSION FUND.

SECTION 1. The Ecclesiastical Authority of the Diocese shall appoint, annually, a Committee to be entitled, The Committee on the Church Pension Fund, and to consist of three Clergymen and three Laymen. The duties of this Committee shall be as follows:

1. To furnish annually to the Church Pension Fund the canonical roll of the clergy of the Diocese, and of the clergy canonically resident in other dioceses or missionary districts who may be licensed to officiate in this Diocese, with a statement of the stipends received by each of said clergymen from any parish, mission, or other ecclesiastical organization in this Diocese.

2. To receive from the Church Pension Fund annually a statement of the premiums necessary to be paid by each parish, mission, or other ecclesiastical organization in the Diocese, in order that the clergymen in receipt of stipends from such parishes, missions, and other ecclesiastical organizations may be entitled respectively to pensions.

3. To inform the duly constituted authorities of each parish, mission, and other ecclesiastical organization in the Diocese of the premiums payable by it, and of the time and manner of payment thereof.

4. To elect a Treasurer, who may or may not be a member of the said Committee, who shall be required to give a bond satisfactory to the Committee, and whose duty it shall be to receive monthly, from all the parishes, missions, and other ecclesiastical organizations in this Diocese, the aforesaid premiums and to transmit the same to the Treasurer of the Church Pension Fund.

5. To inform the Church Pension Fund from time to time of the clergy and the widows and minor orphans of clergy, canonically connected with this Diocese, who may be entitled to receive pensions from the Church Pension Fund.

6. In general, to inform the clergy and laity of the Diocese of the pension system created by the General Convention and committed by it to the operation of the Church Pension Fund, whereby the clergy of the Church are assured of pensions, as of right, to themselves in the event of old age, or disability, and to their widows and minor orphans in the event of death, and to do all things that may be necessary or advisable in the premises to the end that the moneys necessary to be paid by the parishes, missions, and other ecclesiastical organizations may be fully and systematically paid.

7. To make a detailed report annually to the Convention.

SECTION 2. It shall be the duty of every clergyman receiving a stipend or stipends, and the duty of every parish, mission, or other ecclesiastical organization in the Diocese paying a stipend or stipends, to furnish a statement of such stipend or stipends to the Committee on the Church Pension Fund whenever said Committee shall, in writing, ask for such statement.

SECTION 3. This Canon shall go into effect when the Secretary of the Diocese shall receive notification from the Church Pension Fund that a reserve fund of Five Million Dollars for the purposes of the Church Pension Fund has been established, and that dioceses, missionary districts, and General Boards or other General Institutions of the Church have, by legislation, provided for entering into the pension system of the Church Pension Fund in number sufficient, in the opinion of the said Church Pension Fund, to enable its system to go into operation: Provided, That the number of clergy canonically connected with said co-operating dioceses or missionary districts, or whose stipends are wholly paid by said co-operating Boards or General Institutions of the Church shall be not less than two thousand individuals.

CANON VIII.

THE DIOCESAN MISSIONARY SOCIETY.

SECTION 1. All members of the Church in the Diocese shall be considered members of the Diocesan Missionary Society. The Bishop of the Diocese shall be President of the Society.

SECTION 2. The Diocesan Missionary Society shall have as its object the extension and strengthening of the Church in the Diocese and the promotion of the general missionary work of the Church.

SECTION 3. (a) For the purpose of discharging the duties of the society there shall be a Board of Missions, which shall have the power of organizing auxiliary boards or committees and deaneries.

(b) The Board of Missions shall consist of the Bishop of the Diocese, the General Missionary, the Archdeacons, one Clergyman and two Laymen elected by each Archdeaconry at its last regular meeting preceding the Diocesan Convention, and three Laymen elected by the Diocesan Convention from the Diocese at large. The elective members of the Board shall be chosen annually and shall hold office until their successors are elected. In case any Archdeaconry shall fail to elect the members as above provided, the same shall be chosen by the Diocesan Convention, but shall be chosen from the said Archdeaconry. The Board shall have the power to fill any vacancy which may occur in the case of any elective member. In the Board first chosen after the adoption of this canon all elective members shall be chosen by the Convention.

(c) All lay members of the Board shall be communicants.

SECTION 4. The Board shall meet for organization and business immediately after the adjournment of the Annual Convention of the Diocese, and shall hold quarterly meetings thereafter, and special meetings at other times at the call of the President or a quorum of the Board.

SECTION 5. The Bishop of the Diocese shall be President of the Board. The Board shall elect annually from its own members a Secretary and a Treasurer.

SECTION 6. It shall be the duty of the Board of Missions,

(a) To direct and control the work of Church Extension in the Diocese.

(b) To secure offerings and gifts for a fund for this purpose and to expend the same at its discretion.

(c) To make appropriations from the said fund in aid of mission stations, organized and unorganized. Similar appropriations may be made for the support of a General Missionary and of a Missionary to the Deaf Mutes; and also in aid of a parish, but only on the written application of the wardens and vestrymen of said parish, with the written approval of the rector, if there be one, and only after such parish, by action of its vestry duly assembled, shall have certified to the Bishop in writing the sum pledged by it for ministerial support, and its agreement to accept as its minister, if there be a vacancy, whomsoever the Bishop may appoint, and submit to his removal in the discretion of the Bishop.

(d) To estimate, at its first regular meeting, the amount of expenditures and appropriations for work in the Diocese for the ensuing year and to make an appropriation of said sum to all the parishes and missions of the Diocese, and to cause prompt notification of the same to be sent to all the parochial clergy and to all accounting wardens and treasurers of parishes and missions, and to each local lay representative of the Board.

(e) To co-operate, in every way which the Board shall deem proper and feasible, with the General Board of Missions.

(f) To make an apportionment to the parishes and missions of the Diocese of the sum asked for by the General Board of Missions for the general missionary work of the Church, at the first meeting after said sum is ascertained, and to cause prompt notification of the same to be sent to all the parochial clergy and to all accounting wardens and treasurers of parishes and missions, and to each local lay representative of the Board.

(g) To assume general charge and supervision of the securing of support in the Diocese for both diocesan and general missionary work, and to promote weekly giving for the same.

(h) To arrange for missionary services and meetings and visits by missionaries, provide missionary speakers, circulate missionary literature, and take such other steps as it shall deem necessary for the spreading of information as to the needs and opportunities of both the diocesan and general missionary fields and the promoting of greater interest in and prayer for the Church's Mission.

(i) To render assistance, towards these same ends, in any parish or mission, when requested so to do by the Bishop and clergyman in charge.

SECTION 7. It shall be the duty of the Board of Missions of the Diocese to make all necessary arrangements to provide for the annual payment, and to pay annually to the Committee on the Church Pension Fund the premiums on account of all stipends received by clergymen from said Board.

SECTION 8. The Board shall annually make to the Convention:

(a) A report of their receipts and expenditures.

(b) A report as to the work of Church Extension in the Diocese.

(c) A report as to conditions and progress in the Diocese, touching the interest in and support of missionary work in the Diocese and in the Church at large.

(d) It shall make such recommendations to the Convention as shall be deemed wise.

CANON XII.

OF THE TRIAL OF A MINISTER OF THIS DIOCESE.

SECTION 1. A Minister of this Diocese may be charged with any one or more of the offenses, committed within the Diocese, for which he may be brought to trial under the Canons of this Church, by three or more male Communicants of this Diocese in good standing. Such charges shall be in the nature of an information, signed by all the accusers, and sworn to by at least one of them, and shall be presented to the Bishop.

SECTION 2. Any Minister of this Diocese may, for himself, request of the Bishop the inquiry herein provided for, in which case it shall be instituted and shall proceed according to the provisions of this Canon.

SECTION 3. The Bishop, upon the receipt of such information or request, shall elect a Board of Inquiry of three (3) Presbyters and three (3) Laymen, Communicants of the Church, whose duty it shall be to investigate and determine whether there is sufficient ground to put the said Minister upon his trial.

The Bishop shall appoint a Lay Communicant of this Church, of the profession of the law, to act as Church Advocate and as the legal adviser of the Board.

If in the opinion of the Board of Inquiry, or a majority of them, there is sufficient ground to put the said Minister upon trial, they shall cause the Church Advocate to prepare a presentment, which shall be signed by such of the Board as agree thereto, and shall be transmitted to the Bishop. If they shall not find sufficient ground to put him upon his trial, they shall certify that fact to the Bishop, who shall thereupon dismiss the charges.

SECTION 4. The presentment shall be addressed to the Bishop, and it shall specify with reasonable clearness and certainty the offense or offenses charged, without technical language or formal averments, time and place being stated as of the date of the presentment, and within the Diocese, respectively.

Every presentment shall, upon motion of the Church Advocate, be amendable in like manner and for like variance and defects as indictments are by the laws of Pennsylvania amendable in the Courts of criminal jurisdiction, and for such other variance and defects as in the discretion of the Court can be amended without injustice to the accused.

SECTION 5. The Bishop may dismiss any presentment if in his judgment the accused ought not to be put upon his trial for the offense charged.

SECTION 6. No conviction shall be had for any offense unless committed within five years immediately preceding the bringing of the presentment.

SECTION 7. The Bishop, if he does not dismiss the presentment, shall cause a copy thereof to be served on the accused, a copy to be filed with the Standing Committee, and the original to be delivered to the Church Advocate, who shall conduct the prosecution. To-

gether with each of said papers shall be a notice of a meeting of the Standing Committee, which shall be called to be held not less than fifteen nor more than twenty-one days thereafter.

SECTION 8. Every objection to any presentment for any formal defect apparent on the face thereof, shall be taken at such meeting of the Standing Committee and not afterwards. The Standing Committee may cause the presentment to be forthwith amended in respect to such objection if necessary. The Standing Committee shall thereupon nominate eleven disinterested Presbyters, having seats in the Convention of this Diocese, from whom the parties, if present, shall alternately strike one until five remain. If the accused do not appear, and due proof of notice to him be given, or, if both parties fail to appear, the Standing Committee shall select five of said Presbyters. The Presbyters so elected, upon notification, and acceptance, shall form a Court for the trial of the accused, and shall meet at such time and place as the Bishop shall direct; any three of them being a fully competent quorum for any purpose at any stage of the proceedings.

SECTION 9. Notice of the time and place of the first meeting of the Court shall be served on the accused at least thirty days before such meeting.

SECTION 10. The Presbyters constituting the Court shall be unconnected with the accused by consanguinity or affinity and after organization, before any further proceedings, they shall file with the Clerk a declaration in writing that they have not prejudged the case they are about to try, or formed or expressed any such opinion as to the facts as may influence their decision.

SECTION 11. The Court after its organization by the election of a President, and a Clerk, may appoint one or more members of the legal profession, Communicants of this Church, to be its Assessors, who may be present at all of its proceedings, and shall, if requested, advise the Court, or any member thereof, upon any question connected with the trial, on which an opinion is desired.

SECTION 12. The Church Advocate may have such other Advocates of the profession of the law associated with him as he may desire, and the accused may have a like number of Protectors of the profession of the law, all of whom shall be Communicants of this Church.

SECTION 13. The Court may appoint such officers, and make such rules as may be necessary for the orderly trial of the case, and shall have power to adjourn from time to time, and from place to place within the Diocese.

SECTION 14. The accused shall at the first meeting of the Court plead Not Guilty or demur to the presentment, unless he makes confession. If he stands mute or fails to appear, having had due notice, the Court shall enter the plea of Not Guilty. If the demurrer be decided adversely to the accused, he shall be required to plead forthwith, and if he stand mute the Court shall enter the plea of Not Guilty. If the accused, having had due notice, fail to appear before the Court, it may nevertheless proceed, or adjourn, as if he were present. And should he not appear at this second meeting, the trial shall proceed, due proof of notice to the accused of the adjournment being made.

SECTION 15. The trial shall be conducted so far as possible in accordance with the practice in Courts of law in this State. The laws of evidence of the State of Pennsylvania shall be of force and

authority in all Ecclesiastical Courts in this Diocese. A stenographer may be appointed by the Court, who shall have the powers and duties of official stenographers in the Courts of this Commonwealth. The testimony of all witnesses shall be upon oath or affirmation, which shall be administered by such member or officer of the Court as it may direct.

SECTION 16. Upon application of either party to the Court or the President thereof, verified by affidavit, showing that any material witness cannot be procured upon the trial, the Court or the President thereof may grant a rule to take the testimony of such witness, either by depositions or upon a commission, upon such reasonable notice to the opposite party as it may direct. The evidence so taken shall be subject to all legal objections as if taken orally in the presence of the Court.

SECTION 17. The Court having carefully considered the evidence shall declare in a written judgment, to be signed by the members thereof, or a majority of them, that the accused is not guilty, or that he is guilty, of the charges laid in the presentment, in the order therein set forth; and, if guilty, what punishment should be inflicted; which judgment, together with the evidence, and any written explanations or defence made by the accused, shall, without delay, be delivered to the Bishop, and a copy of the judgment shall be given to the accused.

SECTION 18. Should the accused be convicted, all further proceedings shall conform to the provisions and requirements of Canon 29 of the General Convention. If the accused shall not appeal within thirty days, or if the appeal be determined adversely to the accused, then the Bishop shall pronounce such canonical sentence as shall appear to him proper, not exceeding the sentence recommended by the Court. Before pronouncing sentence the Bishop shall appoint a time and place for passing the same, of which at least ten days' notice shall be given to the accused, and at such time and place sentence shall be publicly pronounced, at least three Presbyters being summoned and attending as witnesses thereto.

SECTION 19. The Court, or a majority of its members may, in the exercise of a sound discretion, and a belief that injustice has been done, grant the accused a new trial, but such new trial shall not be granted unless applied for before the expiration of the time limited by Canon for appeal, and such application must be heard and determined within such time.

CANON XIII.

OF ADJUSTMENT OF DIFFICULTIES.

At every Annual Convention there shall be elected one Presbyter, Rector of a Parish in this Diocese, and one Lay Communicant, who, with the Chancellor, shall be a commission which shall decide upon all questions that may arise concerning the election or rights of Vestrymen, or other matters connected with interpretation of Charter. Their decision, when approved by the Bishop, shall be conclusive, subject only to appeal to the Annual Convention: *Provided, however*, That nothing herein contained shall be construed as relating to the dissolution of the Pastoral relation, but every such proceeding shall conform to the provisions of Canon 37 of the General Convention.
